INTRODUCTION: NOMINEES

The Ontario Immigrant Nominee Program (OINP) offers international students with a job offer the opportunity to permanently live and work in Ontario.

Prospective nominees (the applicant) can only apply if they have received an approved permanent full-time job offer from an Ontario employer, or from a business making an approved and endorsed investment in Ontario.

**IMPORTANT: BEFORE APPLYING AS A NOMINEE**

In order to apply as a nominee, the applicant must have a job offer that has been approved by OINP. To do this:

**Ontario employers** must first submit a Pre-Screen Application to have the position they wish to fill approved by OINP. For information on the Pre-Screen application process for Ontario employers, visit the Employer section of the OINP website.

**Companies making an investment in Ontario under the Investment Component of OINP** must first have their investment approved and endorsed by an Ontario ministry. They can then submit a Pre-Screen Application. For more information, visit the Investor section of the OINP website.

The application fee for international students with a job offer is **$1500**.

This fee can be paid by either the applicant or the employer, but must be included in the nominee application package.

OINP no longer accepts incomplete nominee applications, and will return them to applicants. In cases where OINP returns incomplete applications to applicants, OINP will also return the enclosed application fees.

Applicants submitting applications in person must note that reception staff are not authorized to provide application advice or review the completeness of applications.
1. ELIGIBILITY

To be eligible to apply, an International Student must have a job offer that meets the following criteria:

- be a permanent, full-time job offer in a high-skilled occupation (NOC 0, A or B) that has been approved by the OINP through the Employer Pre-Screen Application, and

- meets the entry-level wage levels in Ontario for that occupation (Information about wage levels in different occupations can be found on the Government of Canada Job Bank by selecting Explore Careers: Wages. Job Bank identifies “entry-level wage” as “low wage”).

The International Student must also:

- have graduated from or have met the requirements of a full-time degree or diploma program at an eligible publicly-funded Canadian college or university that is at least two (2) years in length or a one year post-graduate certificate program, which requires a previous degree in order to qualify,

- have completed at least half of their studies in Canada, and

- apply within two years from the date on which they graduated.

OINP will not accept applications from International Students in their final semester of studies. Applicants must have met all the degree requirements at the time of application. Visit the OINP website for a list of eligible publicly-funded Canadian colleges and universities.

For information the National Occupation Classification, and for information on how to find the NOC Code for the position to be filled, see the Appendix Section.
Refugee claimants with an application to remain in Canada that is pending are not eligible to apply for OINP. A refugee claimant whose claim has been rejected, abandoned or withdrawn must exit Canada prior to applying for OINP. Refugee claimants may only apply to OINP once they have left Canada. For more information related to refugee claimants, visit the Immigration, Refugees, and Citizenship Canada (IRCC) website.

2. PREPARING THE APPLICATION

Applicants can begin their nominee application once they have received the following documents from their prospective employer:

- a copy of the Employer Pre-Screen Approval letter,
- original job offer letter signed by the employer which includes the prospective occupation title, duties and responsibilities, wage to be paid and that the offer being made is for a permanent, full-time position,
- original Pre-Screen Position form signed by the employer and the applicant, and

**IMPORTANT: DEFINITION OF “FULL-TIME”**

A full-time position is considered to be a position that consists of 1,560 hours of paid employment in a 12 month period.

The following are not considered permanent, full-time employees even if they work 1,560 hours in a 12-month period:

- Seasonal or part-time Employees regardless of their working hours,
- Subcontractors, independent contractors, business owners or agency workers,
- Employees who do not work on the company’s premises, such as employees who work from home, or employees who work in a “virtual” location, and serve the employer by telecommuting.
original Joint Verification Form signed by the employer and the applicant (See Section 3.3 for information on completing this form).

Nominee applications must be received within 60 days of the date the Pre-Screen Position form is issued to the employer. This date is found on the form itself. If the nominee application is not received in connection with the position within 60 days, the approved position is no longer eligible and the employer will be required to reapply should they wish to secure another approved position. If the deadline to submit the application falls on a weekend or a statutory holiday, the deadline to submit the application will be extended to the next working day.

2.1 OBTAINING THE FORMS

The Nominee Application Form is available for free download on the OINP website. The form has two parts which are downloaded separately:

- Nominee Application Form with a Job Offer (required)
- Authorizing or Cancelling a Representative Form (optional)

Detailed instructions for completing the Nominee Application can be found in Section 3.1: Completing the Nominee Application Form.

2.2 AUTHORIZING A REPRESENTATIVE

Applicants are not obliged to hire a representative.

However, if the applicant receives help from an individual in applying for OINP and the applicant wishes to authorize this individual to act on their behalf with OINP, the applicant must submit the Authorizing or Cancelling a Representative Form with their application.

An applicant may only have one representative at a time, and this representative may only be appointed through the Authorizing or Cancelling an Employer Representative Form. If a new representative is appointed, the previous representative will no longer be authorized to conduct business on behalf of the applicant, or receive information about the application.

Paid Authorized Representatives are defined by the Immigration and Refugee Protection Act of Canada (IRPA). Paid Authorized Representatives are:
• immigration consultants who are members in good standing of the Immigration Consultants of Canada Regulatory Council (ICCRC),

• lawyers who are members in good standing of a Canadian provincial or territorial law society, along with students-at-law under their supervision, and

• Notaries who are members in good standing of the Chambre des notaires du Quebec.

If an applicant authorizes a paid representative who does not qualify as a paid Authorized Representative, the applicant will be contacted by OINP and advised that the individual must be removed or replaced as the representative. If the applicant designates a new authorized representative, any communications will be forwarded to the new representative. Otherwise, processing of the applicant’s file will continue without representation.

See Section 3.2 for more information on completing the Authorizing or Cancelling a Representative Form.

2.3 SUPPORTING DOCUMENTS
The Nominee Application form must be accompanied by a number of supporting documents which help establish that the applicant meets OINP eligibility criteria. Applicants can use this checklist to ensure that they have included all of the supporting documents within their application package.
**IMPORTANT: DOCUMENT TRANSLATION**

If a supporting document is not in English or French, the applicant must provide a copy of the document and a complete, certified translation of the document.

If the applicant is applying from within Ontario, the translations must be completed by a **certified translator** accredited by the Association of Translators and Interpreters of Ontario (ATIO). For more information on certified translators in Ontario, visit [ATIO’s website](#).

If the applicant is applying from outside Ontario, the translation can be completed by any translator. However, the translation must be **notarized**. OINP reserves the right to require applicants to submit translations completed by a certified translator accredited by ATIO if the notarized translation is deemed insufficient by officers assessing the application.

Applications with translations that are not complete, certified or notarized are considered incomplete and will not be processed.

Translations that are completed by the applicant, the applicant’s representative, or other individuals with personal ties to the applicant are not acceptable in any case even if these individuals are certified translators.
