# 1.0 INTRODUCTION: ENTREPRENEUR STREAM

## 1.1 About the Entrepreneur Stream

The Ontario Immigrant Nominee Program's (OINP) Entrepreneur Stream is designed to support individuals from outside of Canada who are looking to implement a new business idea or buy an existing business in Ontario. The Entrepreneur Stream offers entrepreneurs the opportunity to be nominated for permanent residence once their business has been successfully established in Ontario.

After you receive a nomination from Ontario, you must apply to Immigration, Refugees and Citizenship Canada (IRCC) for permanent residence. Regular IRCC application fees will apply. For more information, please visit the [IRCC website](#).

## 1.2 About the Program Guide

The Entrepreneur Stream Program Guide provides information about minimum requirements for eligibility criteria, the Expression of Interest (EOI) and online application process, and the supporting documents that you must provide in order to participate in the Entrepreneur Stream.

- Please carefully review the information in this guide before you register an EOI to ensure you meet all eligibility requirements.
- All dollar amounts in this guide are expressed in Canadian dollars.
- A Glossary of Key Terms is located in [Appendix 1](#). All terms written in **bold, blue font** in this guide are found in the Glossary.
- The Document Checklist can be found in [Appendix 6](#), which lists the supporting documents that you must include with the application.

## 1.3 Overview of Process (Steps)

The Entrepreneur Stream application is a two-stage process. The following steps are required to participate in the Entrepreneur Stream. Additional information about each step of the application process is provided in this guide:

## **STAGE 1**

### Step 1 - Preparation:

- Prepare before registering an online Expression of Interest (EOI) (includes [online self-assessment tool](#)).

### Step 2 - Registration:

- Register an online [EOI](#).

### Step 3 - Invitation to Apply:

- If you are invited to apply, you can prepare an application to the Entrepreneur Stream.

### Step 4 - Submitting Your Application:

- Submit your complete application online. You must ensure that you:
  - Answer all mandatory fields in the online application,
  - Upload all required **supporting documentation**,
  - Read and agree to all declarations and authorizations, and
  - Make an electronic payment of your application fee. The application fee is \$3,500 per applicant.

### Step 5 - After you Apply:

- All information that you provide in your online application will be verified to ensure accuracy, legitimacy and completeness.
- Please note that your application will not be deemed complete until it is reviewed for completeness by the OINP. If your application is found to be incomplete, it will not be processed and your payment will be refunded.
- As part of your application assessment, you will be required to attend a **mandatory interview**.

### Step 6 - Performance Agreement:

- If your application is approved, you will sign a **Performance Agreement** outlining the commitments you have made to invest and create jobs in the province.

## **STAGE 2**

### Step 7 - Temporary Work Permit (Before You Arrive):

- You will be issued a temporary work permit support letter to apply for a temporary work permit from Immigration, Refugees and Citizenship Canada (**IRCC**) in order to establish your business in Ontario. Please note that **IRCC** retains the authority to issue temporary work permits.

### Step 8 - Business Establishment (After You Arrive):

- Once you've arrived in Ontario, you will have 20 months to build your business and implement your **business plan**.

Step 9 - Nomination:

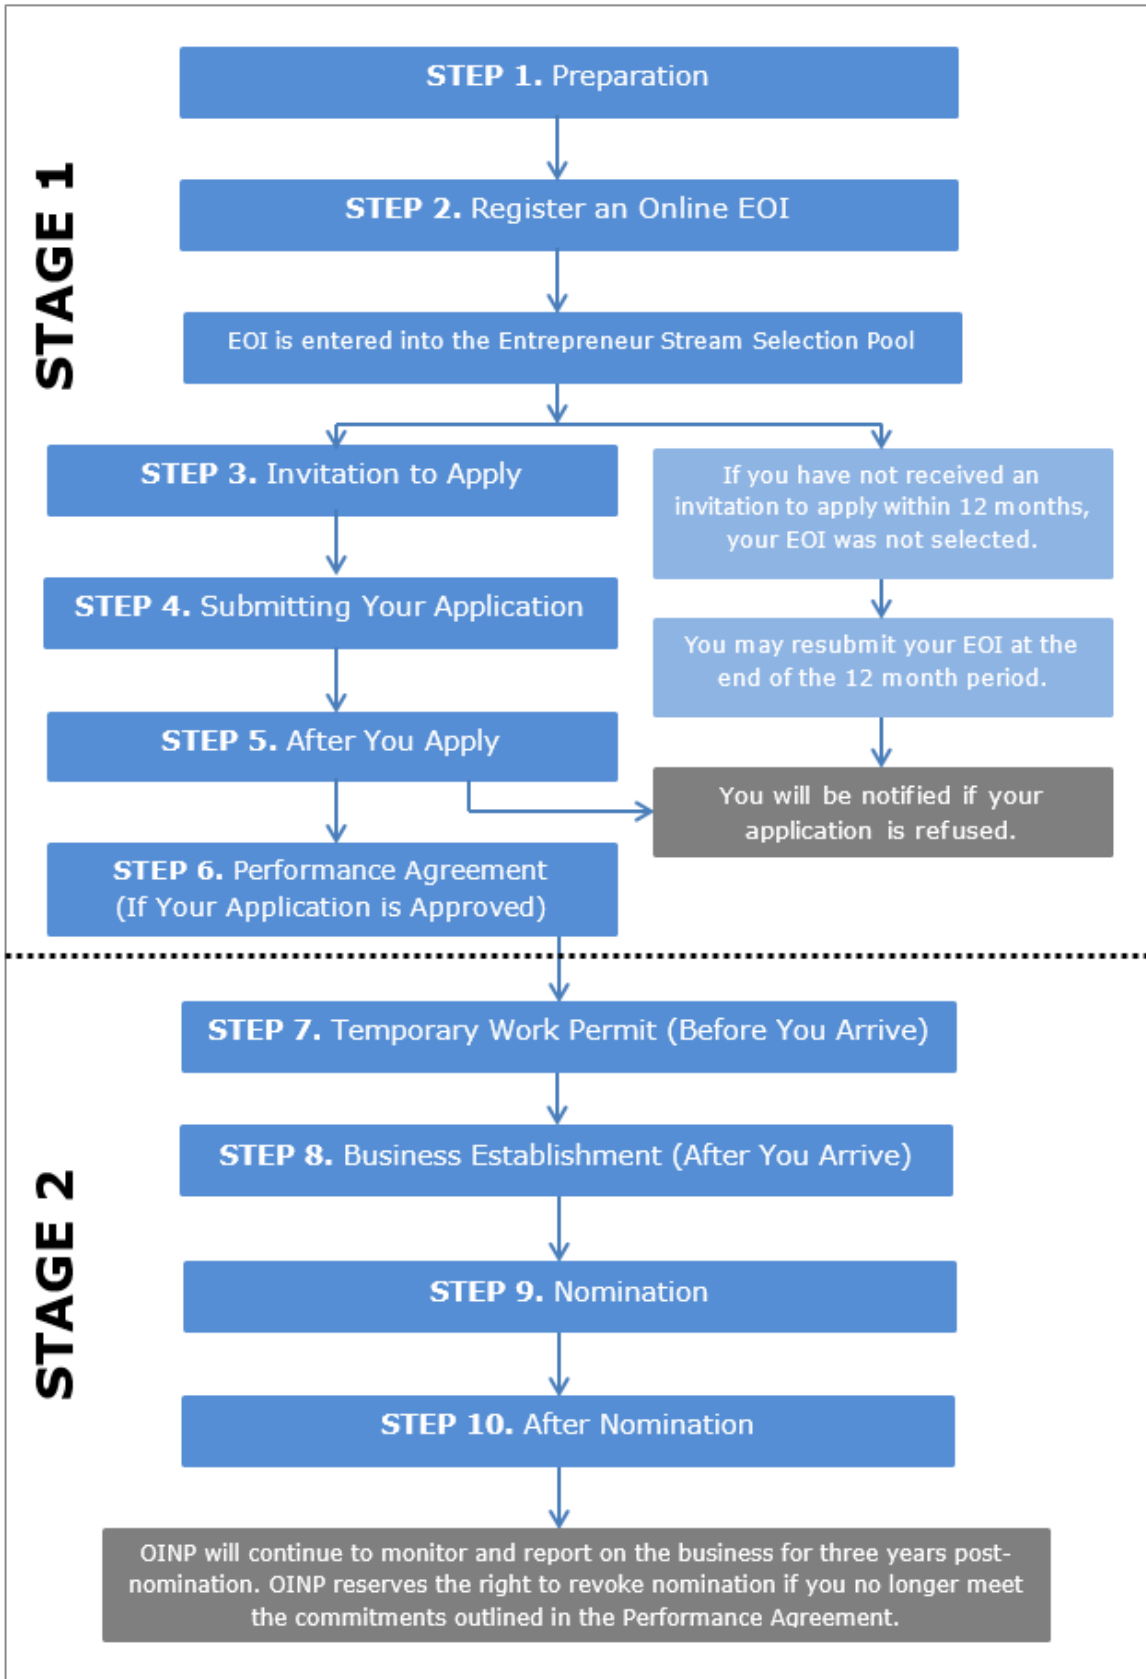

- If you meet the commitments of your **Performance Agreement**, you may be eligible for nomination by the OINP for permanent residence.

Step 10 - After Nomination:

- Successful nominees must apply to **IRCC** for permanent residence within six months of being nominated by the OINP. Post-nomination monitoring will continue for a period of 36 months after the attainment of permanent residence.

The diagram below illustrates the Entrepreneur Stream application process, outlining the detailed steps from registering an EOI to nomination.

# **STAGE 1**

## **2.0 PREPARATION BEFORE REGISTERING YOUR EOI**

Please take the time to read this entire guide before registering your Expression of Interest (EOI).

We encourage you to visit Ontario before registering an EOI to learn about potential business opportunities and to get a better understanding of the local business environment. A business-related visit gives you the opportunity to:

- Discover and evaluate potential business opportunities;
- Make local business contacts; and
- Learn more about where you would like to live and do business within the province, including evaluating factors important to you, such as education programs, housing, culture, recreation and lifestyle.

### **IMPORTANT:**

Before registering an EOI, ensure that your proposed business is not on the [list of ineligible types of businesses](#) and that you meet all the minimum eligibility requirements.

You must ensure that if you are invited to apply to the program, you will be able to provide **supporting documentation** as evidence that you meet all of the Entrepreneur Stream requirements and to substantiate the points you claimed in your EOI. In addition, points claimed for factors directly related to your proposed business in Ontario, such as your investment amount or the number of jobs for Canadian citizens or permanent residents you will create in your proposed business, are seen as commitments. Your **business plan** must demonstrate how you intend to meet these commitments. For more information on the **business plan**, please see [Appendix 5](#).

If your application is approved, your **Performance Agreement** will be based on the investment and job creation you outlined in your EOI and **business plan**. If you are invited to apply and your application is not supported by **supporting documentation** to substantiate points claimed in the EOI, or if your **business plan** does not match the points you claimed in your EOI, then your application will be refused and your **application fee will not be returned**. If, upon establishing your business, you do not meet the investment commitments indicated in your EOI and **business plan**, then you may not be eligible to be nominated for permanent residence (even if you meet the minimum investment criteria).

## 2.1 Ineligible Types of Businesses

The OINP will not accept EOIs or applications for proposed businesses which fall under the list of ineligible types of businesses.

List of ineligible types of businesses in the Greater Toronto Area (**GTA**):

- Existing Franchises in Ontario (new foreign franchises expanding into Ontario are permitted)
- Gas Stations
- Tire Recycling
- Scrap Metal Recycling
- Pawnbrokers
- Bed and Breakfasts
- Holding Companies
- Laundromats
- Automated Car Wash Operations
- Pay Day Loan and related businesses
- Businesses which have been previously owned/operated by current or former OINP business stream nominees

List of ineligible types of businesses outside of the **GTA**:

- Tire Recycling
- Scrap Metal Recycling
- Pawnbrokers
- Holding Companies
- Laundromats
- Automated Car Wash Operations
- Pay Day Loan and related businesses
- Businesses which have been previously owned/operated by current or former OINP business stream nominees

## 2.2 Eligibility Criteria

### 2.2.1 Minimum Requirements

You and one **business partner** (if applicable) must **both** meet the minimum eligibility requirements in order to participate in the Entrepreneur Stream. You may claim additional points in the EOI for these factors, if you have a greater amount of experience, **net worth**, investment, etc. If you are invited to apply, you must provide documentation to demonstrate that you meet the minimum requirements and the additional points you claim in your EOI.

All criteria will be explained in further detail in [section 3.0](#).

The minimum eligibility requirements for you and your **business partner** (if applicable) are as follows:

- **Experience:**
  - At least 36 months of full-time business experience in the last 60 months.
  - Your experience must be as a **business owner OR as a senior manager (business management)**.
  - If you have experience as a **business owner** and as a **senior manager**, you must choose only ONE to use for your EOI and for your application (if you are invited to apply). You may choose either experience (i.e. whichever is the most recent or has more relevance to your proposed business).
  
- **Net Worth:**
  - If your proposed business will be located within the **GTA**, you must have a minimum **net worth** of \$1,500,000.
  - If your proposed business will be located outside the **GTA**, you must have a minimum **net worth** of \$800,000.
  - If your proposed business will be in the Information and Communications Technology (**ICT**)/**Digital Communications sector** (regardless of your proposed business location), you must have a minimum **net worth** of \$800,000.
  
- **Personal Investment Funds:**
  - Personal investments must be made towards expenditures that are essential to the establishment and operation of the business, excluding cash, cash equivalents, **working capital**, or wages paid to you or a family member.
    - If your proposed business will be located within the **GTA**, you must make a minimum personal investment of \$1,000,000.
    - If your proposed business will be located outside of the **GTA**, you must make a minimum personal investment of \$500,000.
    - If your proposed business will be in the **ICT/Digital Communications sector** (regardless of where you set up the business), you must make a minimum personal investment of \$500,000.
  
- **Active Involvement:**
  - You must be actively involved, on an ongoing basis, in the management of the proposed business.
  
- **Minimum Equity:**
  - You must control at least one-third of the equity in the proposed business.

- **Capital Investment Purpose:**
  - You must not invest the capital in the proposed business for the primary purpose of deriving interest, dividends or capital gains.
- **Job Creation:**
  - You must commit to create at least two **permanent full-time jobs** for Canadian citizens/permanent residents.
- **Business-Related Visit:**
  - You must make at least one business-related visit to Ontario in the last 12 months from the date of registering an Expression of Interest if you purchase or are planning to purchase an existing business.

You must meet the minimum requirements for all of these factors to be eligible to apply for the Entrepreneur Stream. If you are applying with a **business partner** who is also seeking nomination, your partner must **also** meet all the minimum requirements.

For example, if you and your **business partner**'s proposed business is located in the **GTA**, you must each meet the experience and **net worth** requirements, each invest \$1,000,000 (total of \$2,000,000) and each create at least two **permanent full-time jobs** (total of four). If you have purchased or are purchasing an existing business, both of you must make a business-related visit.

Please note that only **one business partner** is permitted.

### 2.2.2 General Requirements for Business

In addition to meeting the minimum requirements, your proposed business must also meet the following general requirements to participate in the Entrepreneur Stream:

- The purpose of the proposed business must be to make a profit from **active (earned) income** (not **passive (unearned) income**) through the sale of goods and/or services.
- The proposed business must comply with any applicable federal, provincial or municipal legal, regulatory or licensing requirements that govern its operation. This includes Ontario labour laws, including but not limited to employment standards, health and safety and labour relations legislation.
- The proposed business must be considered a **permanent business** in Ontario. Project-based/seasonal businesses are not considered eligible.
- The proposed business must at all times have a place of business in Ontario.

- Third party investors must be a **Schedule I** or **Schedule II bank** or an **institutional investor**.
- You must submit a **business plan** (see [Appendix 5](#)).

### 2.2.3 Purchasing an Existing Business

If you are interested in purchasing an existing business in Ontario, it is your responsibility to ensure that the business meets all minimum eligibility requirements.

Other requirements specific to applicants who have purchased or will purchase an existing business:

- An existing business must have been in continuous operation by the same owner or group of owners for the last 60 months before you buy the business (proof of ownership and either a letter of intent to purchase the business or sale agreement is required).
- The purchase must completely (100 per cent) transfer ownership from the previous owner(s) to you, your **business partner** (if applicable) and/or your third party investor(s), if applicable. This means that the previous owner(s) cannot retain any shares of the business.
- The proposed business must not have been previously owned/operated by current or former OINP business stream nominees.
- You must preserve all existing **permanent full-time jobs** and create two (2) additional **permanent full-time jobs** for Canadian citizens or permanent residents. You must maintain at a minimum the current wage levels and employment terms of existing staff.
- The proposed **business plan** must demonstrate that you intend to grow the business. Buy and hold business plans with no intent to grow the business are not permitted in the Entrepreneur Stream. For more information on the **business plan**, please see [Appendix 5](#).

### 2.2.4 Nomination Requirements

You must meet the following requirements in order to be nominated once you have established your business and met your **Performance Agreement**. You do not need to meet these criteria when you apply to the Entrepreneur Stream. However, you must meet these criteria when you apply for nomination after your business has been established.

### 1. Language Requirement:

- Official language proficiency at a Canadian Language Benchmark (**CLB**) 4 level or equivalent.
- **CLB** 4 can be demonstrated through one of the following tests: International English Language Testing System (**IELTS**), Canadian English Language Proficiency Index Program (**CELP**IP), or Test d'Évaluation de Français (**TEF**).
- Qualifying scores in each language proficiency are listed below:
  - Listening: **IELTS** 4.5, **CELP**IP 4 or **TEF** 145-180
  - Reading: **IELTS** 3.5, **CELP**IP 4 or **TEF** 121-150
  - Writing: **IELTS** 4.0, **CELP**IP 4 or **TEF** 181-225
  - Speaking: **IELTS** 4.0, **CELP**IP 4 or **TEF** 181-225

### 2. Residency Requirement:

- To meet the residency requirements of the program, you must be physically residing in Ontario for 75 per cent (nine months out of the year) of the period in which you are in Ontario establishing your business (your **Performance Agreement** period).

### 3. Active Management:

- You must be actively involved in the day-to-day management activities of your business.

**Note:** You must also continue to meet the commitments in your **Performance Agreement**, which is based on information provided in your EOI and **business plan**, from the time of signing up until your nomination.

#### 2.2.5 Self-Assessment Tool

To determine your eligibility and EOI score prior to registering, you may wish to complete the [Entrepreneur Stream Self-Assessment Tool](#). This tool will provide you with a score based on the information you provide in response to the self-assessment questionnaire.

**Note:** Completing the self-assessment questionnaire is **not** an EOI registration. To formally express your interest to participate in the Entrepreneur Stream, you must register an EOI (see section 3.0 below).

## 3.0 REGISTER AN ONLINE EOI

### 3.1 What is an EOI?

An EOI is not an application. It is an expression of your interest to participate in the Entrepreneur Stream. The EOI is a first step. There is no fee to submit an EOI. As it

is a self-declared points-based system, you may claim a score based on the information that you provide. Your total score will determine whether you will receive an Invitation to Apply under the Entrepreneur Stream. See [section 3.7](#) for more information.

The OINP reserves the right to make changes to the EOI without prior notice, including changes to the scoring, the minimum total score required in each section, the expiration of registrations in the selection pool, and the number and frequency of registrants invited to apply. Refer to the OINP’s website to ensure you are using the most up-to-date version of this guide.

**IMPORTANT:** The information you provide in your EOI registration will become part of your contractual obligations under the **Performance Agreement** (if you are selected to apply to the Entrepreneur Stream).

For example, if you are selected to apply to the Entrepreneur Stream and your EOI indicates you will make a \$2,000,000 investment, your complete application must indicate that you will be making an investment of at least \$2,000,000. This will then be included in your **Performance Agreement** as the minimum investment that you must make in order to be eligible for nomination.

If your **business plan** does not align with the points you claimed in your EOI, your application may be refused and your application fee will not be returned. If, upon establishing your business, you do not meet the investment commitments indicated in your EOI and **business plan**, then you may not be eligible to be nominated for permanent residence (even if you meet the minimum investment criteria).

## 3.2 Scoring Factors and Breakdown of Points

You can claim points in three categories: Experience, Investment, and Human Capital. The maximum score is **170 points**.

Scoring Sections	Points
Experience Factors	50
Investment Factors	100
Human Capital Factors	20
<b>Total Points Available</b>	<b>170</b>

## 3.3 Experience Factors

The maximum number of points for the experience factors section is **50 points**.

### 3.3.1 Experience

The maximum number of points for this factor is **25 points**.

You may claim points based on your business experience. The number of points is based on your past business ownership experience **OR** senior management experience in the last 60 months. If you have both business ownership and senior management experience in 36 of the past 60 months, you must **use only one of your experiences** in your EOI. There is a **minimum requirement (equivalent of 36 months)** to be eligible for the Entrepreneur Stream.

- Your experience must total, at minimum, the equivalent of 36 months within the last 60 months in either active general business administration or in an area of expertise related to the business opportunity.
- If you have a **business partner**, they must also have a minimum of 36 months of experience, in the last 60 months.

#### **Business Owner:**

- You must have owned at least one third of the business during the period you will claim as the length of your experience. You must demonstrate that your role was an active role, meaning that you were personally involved in the day-to-day operations of the business and had direct involvement in decision-making.

If you are invited to apply to the Entrepreneur Stream, you will be required to provide evidence of your reported business and past experience as a **business owner**. Examples of acceptable evidence include financial statements as well as reference letters from investors, financial institutions, vendors, suppliers or customers.

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

#### **Senior Manager (Business Management):**

- Your role must have included senior decision-making responsibilities in areas such as Operations, Sales, Finance, Marketing, Distribution, Human Resources, Research and Development, etc.

If you are invited to apply to the Entrepreneur Stream, you will be required to provide evidence of your past experience as a **senior manager**. If you claim points for this factor, you must include (at least):

- Organizational charts detailing your position and reporting structure. Include the size of the organization and highlight your position. Employer documents are preferred.
- Official employer reference letter(s) containing details about your position, reporting structure, role and length of employment.

<b>Total Points Available</b>		<b>25</b>

### 3.3.2 Specific Experience

You may claim points based on your past specific experience in a high growth business and/or in an export trade business if this experience was gained within the last 60 months.

- **High Growth Business Experience:** experience in a business that experienced at least 20 per cent increase in revenue in two consecutive years. Submission of **supporting documentation** (e.g. financial statements) is mandatory if you are invited to apply to the Entrepreneur Stream.
- **Export Trade Business Experience:** experience in a business exporting at least 20 per cent of total goods/services to a foreign market. Submission of **supporting documentation** (e.g. financial statements with export declarations, purchase orders, invoices) is mandatory if you are invited to apply to the Entrepreneur Stream.

There is no mandatory requirement for this experience factor to be considered for the Entrepreneur Stream. The maximum number of points for this factor is **25 points**.

If you were a **business owner** and you can provide **supporting documentation** verifying that your business was a high growth business or an export-trade business, you may claim these points.

If you were a **senior manager** and you can provide a reference letter from your employer and/or other **supporting documentation** indicating that your role had a direct decision-making authority or a direct impact on the high growth activity/activities of the business, you may claim these points.

If you are invited to apply to the Entrepreneur Stream and have indicated that you have one or more of the past specific experience, you must provide evidence. If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

#### **3.4.1 Net Worth**

You may claim points based on your total **net worth**. The maximum number of points for this factor is **15 points**.

Your personal **net worth** must be lawfully obtained and verifiable (e.g. proof of title to any real estate holdings and business ownership). Your personal **net worth** includes all of your assets and those of your spouse or common-law partner, minus any liabilities including mortgages and personal debts, for example:

If you have a **business partner**, they must also meet the minimum personal **net worth** requirement.

If you are invited to apply to the Entrepreneur Stream, you will be required to provide evidence of your stated **net worth** as well as the legal accumulation of funds using a **qualified vendor**. See [section 4.3](#) for more details.

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

You may claim points based on the total personal investment amount that will be made into your proposed business. The minimum **personal investment** must be derived from your personal **net worth**. The maximum number of points for this factor is **25 points**.

There is a **minimum requirement** for this factor to be eligible for the Entrepreneur Stream:

- If your proposed business is within the **GTA**, your personal investment must be a minimum of \$1,000,000.
- If your proposed business is outside the **GTA**, your personal investment must be a minimum of \$500,000.

However, the third party must be a **Schedule I** or **Schedule II bank** or an **institutional investor**. Third-party personal investments are not permitted. If you do require external financing, you will be required to provide details on how you will obtain the financing and how the money will be used for your business.

You cannot claim points for investments that will be made by a third-party (i.e. if you are making a personal investment of \$2.5 million and a third party will make an additional investment of \$1 million, you may only claim points for your personal investment of \$2.5 million).

If you are invited to apply to the Entrepreneur Stream, you will be required to provide evidence of how you plan to allocate the investment funds (e.g. **business plan**). As a condition of nomination for permanent residence, you will be required to provide evidence, including **supporting documentation** (e.g. invoices, bank and financial statements) to prove that the entire investment fund was allocated, and to provide information as to how the investment funds were allocated.

Examples of eligible investment expenditures include:

- Purchase of existing business assets (including inventory) or equity;
- New equipment purchases;
- Start-up or new inventory related to an improvement/expansion plan;
- Leasehold improvements; and
- New marketing costs.

In order to be considered an eligible investment, the expenditure must be essential to the establishment and operation of a **new business** or to purchase, improve and operate an existing business.

In addition, if you are purchasing an existing business:

- You must invest some funds towards improvement/expansion of the business.
- Improvement/expansion does not include regular operating expenses such as recurring inventory, wages, rent, utilities, or maintaining the same levels of marketing or advertising expenses, legal or professional fees, business licenses, etc.

If you have a **business partner**, they must also meet the minimum investment funds requirement on their own. For example, if your proposed business will be in the **GTA**, you must each invest a minimum of \$1,000,000 for a minimum total of \$2,000,000.

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

### 3.4.3 Ineligible Investments

The following are not considered eligible investments:

- **Cash, cash equivalents** or **working capital**, and
- Wage payments made to yourself and your family members.

### 3.4.4 Investments made prior to Application to the OINP

While the OINP does not encourage applicants to make any investment prior to signing a **Performance Agreement** with the OINP and obtaining a valid temporary

work permit from Immigration, Refugees and Citizenship Canada ([IRCC](#)), we will accept investments made up to one year prior to the application date (if you are invited to apply). However, you must provide proof that the investment has come from your own personal funds. Signing an agreement or letter of intent to purchase a business and/or making a deposit prior to the approval of your application is solely at your own risk. The OINP does not guarantee that you will be approved if you have already made investments in the province.

### 3.4.5 Job Creation

You may claim points based on the total number of **permanent full-time jobs** you will create for Canadian citizens or permanent residents within the first 20 months of establishing your business. The maximum number of points for this factor is **20 points**.

There is a **minimum requirement** for this factor to be eligible for the Entrepreneur Stream. You must demonstrate that you will create at least **two permanent full-time jobs** for Canadian citizens or permanent residents of Canada in your proposed business. These jobs must also be paid at the **median wage** rate.

#### **Important: Wage Requirements**

The OINP expects that all employees will receive pay for hours worked according to the information provided by the employer in the proposed **business plan**. The OINP requires that a wage offer made to an employee be described on the basis of the individual's hourly wage expressed as either hourly pay and hours per year, or weekly pay and weeks per year. This allows the program to verify that employees will be appropriately remunerated.

**Note:** The program does not consider remuneration by piece work, bonuses, commissions, vacation pay or non-financial compensation as comprising part of an employee's offered wage. An employer may offer an employee piece work, bonuses, commissions, or non-financial compensation in addition to base pay. However, these will not be considered part of the employee's hourly or weekly base pay. Additionally, the hourly or weekly base pay offered to the employee must meet or exceed the **median wage** established by occupation and region on the federal government's [Job Bank](#) website.

A **permanent full-time job** means a position that consists of a minimum of **1,560 hours of continuous, paid employment** in a 12-month period.

The following are not considered permanent full-time employees even if they work 1,560 hours in a 12-month period:

- Seasonal, or part-time employees regardless of their working hours;
- Subcontractors or agency workers; or
- Employees who do not work on the company’s premises, such as employees who work from home, or employees who work in a **virtual office** and serve the employer by **telecommuting**.

A permanent job offer is continuous employment in a position designated as permanent and which has no specified end date.

If you are invited to apply to the Entrepreneur Stream, you will be required to provide evidence of how you will create a minimum of two jobs. As a condition of nomination for permanent residence, you will be required to provide evidence, including **supporting documentation** (e.g. payroll, tax and financial documentation), to prove that the required **permanent full-time jobs** were created. Additionally, the jobs must be continuously filled for at least 10 months prior to the submission of your **Final Report**.

If you have a **business partner**, your partner must also create two jobs, for a total of 4 jobs for your proposed business.

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

<b>Job Creation</b>	<b>Points</b>
Less than 2 jobs	Not eligible
2 jobs	5
3 – 4 jobs	12
5 – 6 jobs	19
7 or more jobs	20
<b>Total Points Available</b>	<b>20</b>

Please note that if you are purchasing an existing business, you must maintain at a minimum the current wage levels and employment terms of existing staff in addition to creating at least two new jobs. There are no additional points for maintaining existing staff.

Your proposed business must comply with all provincial labour laws, including but not limited to employment standards, health and safety and labour relations legislation.

### **3.4.6 Business-Related Visits**

You may claim points based on any business-related visits to Ontario within the last year from the date that you register your EOI.

If you have purchased or are purchasing an existing business, you must make a business-related visit to be considered for the Entrepreneur Stream. The maximum number of points for this factor is **5 points**.

If you are invited to apply to the Entrepreneur Stream and you have indicated in your EOI that you have made business-related visits to Ontario, you will be required to provide evidence of your previous visits to Ontario, including cities/municipalities visited and the dates when you entered and exited Ontario, by submitting at least three of the following examples:

- Flight itinerary and boarding passes;
- Accommodation receipts;
- Summary of meetings including the itinerary;
- Email correspondence with any business contacts in Ontario;
- Photographs or meeting notes from the business trip;
- Business cards or contact information from business interactions.

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

<b>Business-Related Visits to Ontario</b>	<b>Points</b>
No	0
Yes: 1 visit in the last year	2
Yes: 2 or more visits in the last year	5
<b>Total Points Available</b>	<b>5</b>

### **3.4.7 Targeted Key Sectors**

You may claim points depending on whether your business is in a targeted key sector determined by the Ontario government. This is not a minimum eligibility requirement to be considered for the Entrepreneur Stream. The maximum number of points for this factor is **10 points**.

These key sectors have been defined as economic priorities for Ontario:

- Aerospace
- Automotive
- Chemical and Biochemical
- Cleantech
- Financial Services
- Food and Beverage Manufacturing
- Industrial Automation and Robotics
- Information Technology
- Life Sciences

- Mining
- Tourism

For more information on these targeted key sectors, visit the [Invest in Ontario website](#).

If you are invited to apply to the Entrepreneur stream and have indicated your proposed business is in a targeted key sector, you will be required to provide evidence that your business is in that respective sector (e.g. licenses, permits, association membership).

Targeted Key Sector	Points
No	0
Yes	10
Total Points Available	<b>10</b>

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

### 3.4.8 Business Location

You may claim points based on your proposed business location. This is not a minimum eligibility requirement to be considered for the Entrepreneur Stream. The maximum number of points for this factor is **10 points**.

The OINP uses Statistics Canada’s **Census Metropolitan Area** (CMA) and **Census Agglomeration** (CA) data to divide business locations into three categories based on population size:

- Category A: Census Metropolitan Areas with a population of 175,000 or more.
- Category B: Census Metropolitan Areas and **Census Agglomeration** areas with a population greater than 100,000 but less than 175,000.
- Category C: All other locations that do not fall within Category A or B that have a population of 100,000 or below.

CMAs and CAs are areas consisting of one or more neighbouring municipalities situated around a population centre (known as a core). A CMA is defined as having a total population of at least 100,000 of which 50,000 or more live in the core. A CA is defined as having a core population of at least 10,000. Please note that some locations may be part of larger categories. Therefore, you may find your business location is in a CMA or CA.

For example, Toronto’s neighbouring municipalities fall under the Toronto CMA as described below:

<b>Toronto CMA</b>	
Mississauga	Halton Hills
Brampton	Aurora
Markham	Georgina
Vaughan	Whitchurch-Stouffville
Richmond Hill	New Tecumseth
Oakville	Bradford West Gwillimbury
Ajax	Orangeville
Pickering	East Gwillimbury
Milton	Uxbridge
Newmarket	King
Caledon	Mono

For more information on finding your business location category and a list of **Census Metropolitan Areas** and **Census Agglomeration** areas, see [Appendix 2](#).

**Note:** While Statistics Canada categorizes Ottawa-Gatineau CMA as a single **Census Metropolitan Area**, businesses located in the Gatineau region outside of Ontario are not eligible under the OINP.

<b>Business Location</b>	<b>Points</b>
CMA with a population of 175,000 or more	0
CMA or CA with a population greater than 100,000 but less than 175,000	5
Other location with a population of 100,000 or below	10
<b>Total Points Available</b>	<b>10</b>

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

### **3.4.9 National Occupation Classification (NOC) 0, A or B Jobs**

You may claim points based on the **National Occupational Classification (NOC) 0, NOC A or NOC B** jobs your proposed business will create for Canadian citizens or permanent residents. There is no mandatory requirement for this factor to be considered for the Entrepreneur Stream. The maximum number of points for this factor is **15 points**.

If you are invited to apply to the Entrepreneur Stream and have indicated you will create **NOC 0, A or B** jobs, you will be required to provide evidence including job

descriptions and how you will create the jobs in your **business plan**. For more information on the NOC, see [Appendix 3](#).

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

<b>Creation of NOC 0, A or B Jobs</b>	<b>Points</b>
Yes: <b>NOC 0</b> or <b>A</b> job(s)	15
Yes: <b>NOC B</b> job(s)	10
No: Only <b>NOC C</b> and/or <b>NOC D</b> jobs	0
<b>Total Points Available</b>	<b>15</b>

If you are invited to apply and your **business plan** does not match the points you claimed in your EOI, then your application will be refused and your application fee will not be returned.

## **3.5 Human Capital Factors**

The maximum number of points for the human capital factors section is **20 points**.

### **3.5.1 Level of Education**

You may claim points based on your highest level of education completed. There is no minimum requirement to be considered for the Entrepreneur Stream. The maximum number of points for this factor is **5 points**.

Post-secondary education refers to full-time studies from a licensed post-secondary institution that leads to obtaining a credential that is the equivalent to a Canadian degree, diploma or certificate. Two years includes scheduled breaks such as winter and summer breaks and holidays.

Language training (such as English as a Second Language (ESL) courses) will **not** be considered towards meeting the post-secondary requirement.

If you are invited to apply to the Entrepreneur stream and are claiming to have completed six months or more of post-secondary education, you will be required to provide evidence of this education, including your **Educational Credential Assessment** (ECA) report produced by a designated organization.

The OINP will only accept an ECA report from one of following organizations designated by IRCC:

- [Comparative Education Service – University of Toronto School of Continuing Studies](#),
- [International Credential Assessment Service of Canada](#),
- [World Education Services](#),
- [International Qualifications Assessment Service](#),
- [International Credential Evaluation Service](#),
- [Medical Council of Canada \(professional body for Doctors\)](#), **OR**
- [Pharmacy Examining Board of Canada \(professional body for Pharmacists\)](#).

**Note:** When completing your application for an ECA, you **must** authorize the organization to share the results of your ECA with the OINP. Failure to grant the OINP access to your ECA results may delay the processing or result in the refusal of your application.

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

Level of Education	Points
No post-secondary education	0
6 months – 2 years of post-secondary education	2
More than 2 years of post-secondary education	5
Total Points Available	<b>5</b>

### 3.5.2 Official Language Ability

You may claim points based on your proficiency in English or French. While not a mandatory requirement to be considered for the Entrepreneur Stream at the time of registering your EOI, language proficiency equivalent to Canadian Language Benchmark (**CLB**) **4** is required at the time of nomination by the OINP. The maximum number of points for this factor is **15 points**.

You must demonstrate your language proficiency with either the International English Language Testing System (**IELTS**) [General Test], Canadian English Language Proficiency Index Program (**CELP**) or Test d'Évaluation de Français (**TEF**). If you are invited to apply to the Entrepreneur Stream and have indicated a certain **CLB** level of language proficiency, you will be required to provide evidence of that language proficiency. For equivalences, see [Appendix 4](#).

Note that even if you do not claim language proficiency in your EOI, you will be required to demonstrate that you have **CLB** 4 or equivalent at the time of nomination (after you meet your **Performance Agreement**). If you have a **business partner**, your partner must also meet the minimum **CLB** 4 or equivalent at the time of nomination.

If you are invited to apply and you do not provide evidence to support the points you claimed in your EOI, your application may be refused and your application fee will not be returned.

<b>Official Language Ability</b>	<b>Points</b>
None or minimal ( <b>CLB</b> 3 or below)	3
Basic understanding ( <b>CLB</b> 4)	10
Intermediate and advanced ( <b>CLB</b> 5 or higher)	15
<b>Total Points Available</b>	<b>15</b>

### **3.6 Expression of Interest (EOI) Registration Process**

Before registering an EOI, you (and your **business partner**, if applicable) can complete the Entrepreneur Stream [online self-assessment questionnaire](#) to determine whether you meet minimum program criteria and determine your EOI score.

If you would like to express your interest to participate in the Entrepreneur Stream, you (and your **business partner**, if applicable) must register an online EOI using the OINP e-Filing Portal.

Before you can do so, you must log in to the e-Filing Portal directly from the [OINP website](#).

You will need to complete the following steps:

1. Complete the CAPTCHA.
2. Select whether you are a returning user, a new applicant or a new representative. If you would like to appoint a representative, they must follow the instructions in [section 3.9](#).

#### **If you are a returning user:**

1. Log into your ONE-key account and click Continue.
2. Enter your name and email address used when you first registered in the OINP e-Filing Portal.
3. Click on 'Submit New Application'.
4. Select 'Entrepreneur Stream' from the e-Filing landing page.
5. Read the Registrant Instructions and complete your Expression of Interest.

### **If you are a new applicant:**

1. Select 'Entrepreneur Stream' from the e-Filing landing page, and complete the pre-registration questions by entering your name and date of birth.

**Note:** If you do not have a last name on your passport, travel or identity document, enter your first name(s) in the last name field and enter "N/A" in the first name field.

2. Next, log into your ONE-key account and click Continue. If you do not yet have an account, click on the "Sign up now!" link.
3. Read the Registrant Instructions and complete your Expression of Interest.

After you have successfully submitted your EOI registration, you will receive an email confirming receipt. Your EOI registration date is also the day that the EOI is entered in the selection pool for a period of 12 months.

If you are applying with a **business partner**, your EOI registration will only be complete once both parties have registered an EOI. The date that both parties have completed their EOI registration is also the date that the joint EOI is entered into the selection pool for a period of 12 months.

You may only submit one EOI at a time.

To determine the status of your registered EOI, log in to the OINP e-Filing Portal and view your registrations.

You do not need to provide **supporting documents** to substantiate the points you claim when you submit an EOI. However, you **must** provide **supporting documents** to substantiate the points you claimed in your EOI if you are invited to apply.

## **3.7 EOI Final Scoring and Selection Pool**

During the EOI registration process, if you receive a notification of "not eligible" on any of the minimum eligibility requirements, you will not be able to register your EOI, and your EOI will not be entered into the selection pool. Meeting all of the minimum requirements does not guarantee that you will be invited to apply to the Entrepreneur Stream.

The maximum score available is **170 points**. There is no minimum score, as EOIs will be ranked against each other and only top candidates will be invited to apply. If you are applying with a **business partner**, your final score will be calculated using the **lowest submitted** score. For example, if your score is 154 and your **business**

**partner**'s score is 152, the score that will be included in the selection pool is 152. Your final score will be used to rank your EOI against other EOI scores received.

### 3.8 EOI Draws and Processing Periods

At the beginning of each processing period, a draw will occur with only the top scoring EOIs being selected for processing. Draws will take place periodically. Visit the [OINP website](#) for updated information about draw dates.

The final "cut-off" score may vary between processing periods due to differences in scores registered during the respective months. Results from each draw will be posted on the OINP website to allow applicants to see the approximate score that is required to be accepted. If your EOI is not selected within 12 months from the date of receipt, it will be removed from the selection pool. You are welcome to register again after your EOI has been removed.

### 3.9 Authorizing a Representative

If you receive help from someone with your application to the OINP, you must disclose this fact to the OINP. In addition, if you wish for this individual to act on your behalf with the OINP, you must authorize this individual as your representative before completing your online application.

#### **Please note the following important information about using a representative:**

- All representatives, whether paid or unpaid, must be disclosed to the OINP.
- You may only have one active representative at a time, and this representative may **only** be appointed using the processes outlined below.
- All representatives must use their representative account to submit an application on your behalf. Representatives must **not** submit an application through your ONE-key account.
- If you have not appointed a representative, you are prohibited from using the email address or mailing address of a representative in your application.
- Once a representative is authorized to act on your behalf during the OINP application process, all OINP communications will be directed to your representative. However, you may log in to your ONE-key account at any time to view the status of your application.
- Note that even if you have a representative, you are still responsible for the accuracy and completeness of information that is provided to the OINP.

**IMPORTANT:** You must disclose the use of a representative to the OINP. If the OINP discovers that you have not disclosed a representative, the program may return or refuse your application.

For information on how to choose a representative and for tips about how to protect yourself from fraud, please visit [IRCC's website](#).

**IMPORTANT NOTICE:**

If you are applying with a **business partner**, each of you must authorize the representative to represent you following the process noted below. Should your **business partner** wish to authorize a different representative than you, they must contact OINP directly at [business.immigration@ontario.ca](mailto:business.immigration@ontario.ca), since the EOI system can only associate one representative per case. It is recommended, but not required, that you and your **business partner** use the same representative.

### 3.9.1 Who is a Representative?

A representative is a person who has permission to conduct business on your behalf. The representative can be paid or unpaid.

Paid authorized representatives are defined under the *Ontario Immigration Act, 2015* and include:

- citizenship or immigration consultants who are members in good standing of the [Immigration Consultants of Canada Regulatory Council](#),
- lawyers who are members in good standing of a [Canadian provincial or territorial law society](#), and
- notaries who are members in good standing of the Chambre des notaires du Québec.

**Note:** Please note that the Program only recognizes the representatives listed above as authorized to charge you a fee or receive any other type of payment.

If you appoint a paid representative who is not recognized by the Program as a paid authorized representative (as listed above), you will be contacted by the OINP and advised that the individual must be removed or replaced as the representative.

You may appoint an unpaid representative to conduct business on your behalf with the OINP. Unpaid representatives include:

- family members,
- friends, and
- other third parties who do not charge a fee.

### 3.9.2 How to Authorize a Representative Online

Your representative must access the OINP e-Filing Portal directly from the [OINP website](#). Your representative will need to register in the e-Filing Portal (if not already registered).

Your representative may then proceed with completing the EOI on your behalf. Once complete, you will receive two emails from the OINP requesting you to authorize your representative.

- The first email will include your enrollment number and the second will include your PIN number.
- You must then sign up for a One-key account using these two numbers.
- Once logged into the e-Filing Portal, you can authorize your representative.

**Note:** If you already have a One-key account, you do not need to enter your enrollment and PIN number. You can simply sign in with your One-key ID and directly access your OINP online account to authorize your representative.

Once your representative is authorized, your completed EOI will be automatically submitted to the OINP.

### 3.9.3 Cancelling a Representative

You may cancel your representative at any time. To do so, log in to your OINP e-Filing account via One-key and select "Cancel" under the "My Representative" section.

Once you have cancelled your representative, they will no longer be able to access any information about your application with the OINP, nor will they be authorized to conduct any business on your behalf. You will become the primary contact for the OINP.

## 3.10 Invitation to Apply

Selected candidates will be invited to apply to the Entrepreneur Stream. An email will be sent to you (or your representative, if applicable) to notify you of your Invitation to Apply, along with all the documents you (and your **business partner**, if applicable) must submit. You will have 90 days from the date of your invitation to apply to submit your online application.

If you have authorized a representative, your representative will receive notification from the OINP that you have been invited to apply and will be required to complete the online application on your behalf within the 90-day time limit. You may log in to

your account in the OINP e-Filing Portal at any time to view the status of your application. If invited to apply, your EOI status will change from “registered” to “invited”.

### **3.11 Withdrawing or Making Changes to your EOI and Resubmitting**

At any time, you may withdraw your EOI. To do so, log in to your account in the OINP e-Filing Portal and click on the “Withdraw” button next to your EOI registration. Once withdrawn, you may register a new EOI at any time.

Once you have registered your EOI, you cannot make changes to the EOI; however, you may withdraw your EOI registration and resubmit it with the updated information. Please note that withdrawing and resubmitting a new EOI will not impact how your application is assessed if you are invited to apply.

## **4.0 INVITATION TO APPLY**

### **4.1 If you are Invited to Apply**

If you are invited to apply, you (or your representative, if applicable) will receive an email notifying you that you are invited to submit an online application to the Entrepreneur Stream. Your email notification will include:

- Instructions on logging in to your account to access your online application,
- Your application deadline (90 days from the date that the OINP sent an invitation to apply),
- The Application Guide for the Entrepreneur Stream, which provides more detailed information about the online application and required documentation.

If you are applying with a **business partner**, each of you must complete the online application, provide **supporting documentation** and submit payment for your application fee within 90 days from the date that your EOI is selected and you receive your invitation to apply.

You are responsible for all contents of your application.

### **4.2 Components of Application**

The online application requires that you provide more detailed information about yourself and your proposed business, including your contact information,

immigration information, a report on your **net worth** and legal source of funds prepared by a **qualified vendor**, your **business plan** and all required **supporting documentation**. For more information, refer to [Appendix 6](#).

### **4.3 Review of Personal Net Worth (Third Party Verification Report)**

If you are invited to apply, you will need to hire a **qualified vendor** to review your personal **net worth** and legal accumulation of funds in order to submit an application to the OINP.

#### **4.3.1 What is a Qualified Vendor?**

A **qualified vendor** is a professional service supplier, who is approved by the OINP to complete a verification report of your personal **net worth** and legal source of funds.

#### **4.3.2 How does it work?**

If you are invited to apply, you will receive a list of **qualified vendors** that the ministry has authorized to conduct verification reports on applicants' **net worth** and legal source of funds.

You must have an OINP file number before you can engage a **qualified vendor**. You will receive a file number with your Invitation to Apply.

You must enter into an agreement with one of the **qualified vendors** to complete a review of your personal **net worth**. You are responsible for all costs associated with this service.

The **qualified vendor** will review your personal **net worth** claims and your legal source of funds through an analysis of your supporting financial documentation and/or an independent investigation. The **qualified vendor** will produce a report of your personal **net worth** and its legal accumulation. The report will outline how much of it is verifiable, and whether there are any concerns that will require further investigation. The **qualified vendor** may contact you to request additional information.

When the review is complete, the **qualified vendor** will send you a copy of the verification report, which must be included as part of your application.

### 4.3.3 What will I need to provide?

You must provide to the **qualified vendor** all **supporting documentation** identified in the Entrepreneur Stream Technical Guide.

### 4.3.4 What are the details?

The cost of obtaining a verification report will depend on which **qualified vendor** you choose, and the amount of time it may take to evaluate your financial documentation. The price is set by the vendor.

The amount of time it takes to evaluate your financial documentation and prepare a verification report will vary. Factors such as the volume of financial documentation you provide and the processing capacity of the **qualified vendor** can impact the timing. The **qualified vendors** are required to complete a verification report within 60 days, so it is important to engage a **qualified vendor** as early as possible once you have been invited to apply.

The verification report will be used as part of the OINP application assessment process. Notwithstanding the conclusions of the **net worth** verification report, the OINP has sole discretion and responsibility to assess your application and may request additional information, **supporting documentation** or clarification from you or the **qualified vendor**.

Failure to provide satisfactory evidence to verify your personal **net worth** and source of funds will result in the refusal of your application.

## 4.4 Document Translation and Notarization

If any of your supporting documents are not in English or French, you must provide a copy of the document and a complete, **certified or notarized translation** of the document.

If you are applying from within Ontario, the translations must be completed by a **certified translator** accredited by the Association of Translators and Interpreters of Ontario (ATIO). For more information on certified translators in Ontario, visit the [ATIO website](#).

If you are applying from within Ontario but cannot locate a certified translator accredited by ATIO with proficiency in the language required for translation, the translation may be completed by any translator as long the translation is **notarized**. To request this exception, you must include a letter to explain why the translations are not certified and demonstrate your efforts to locate a certified translator.

If you are applying from outside Ontario, the translation can be completed by any translator. However, the translation must be **notarized**. The OINP reserves the right to require applicants to submit translations completed by a certified translator accredited by ATIO if the notarized translation is deemed insufficient by officers assessing the application.

You are responsible for all translation and notarization costs.

Applications with translations that are not complete, certified or notarized are considered incomplete and will not be processed by the OINP.

Translations that are completed by the applicant, the applicant's representative, or other individuals with personal ties to the applicant are not acceptable even if these individuals are certified translators.

## **5.0 SUBMITTING YOUR APPLICATION**

### **5.1 Privacy and Confidentiality**

#### **5.1.1 How your Personal Information is used**

**MCI** collects your personal information to assess whether or not you meet program criteria and to determine that the information you have provided, including all of your **supporting documentation**, is true, correct and complete.

The ministry may also use this information to contact you, as well as other individuals regarding you, such as other ministries of the Government of Ontario, officials administering immigration programs, law enforcement agencies, academic institutions and financial institutions to verify the information you have provided or to request additional information, if needed, to determine whether or not you meet program criteria.

The ministry may use this information for the purposes of quality assurance and program evaluation.

If you, your spouse or common law partner and accompanying dependents are uncomfortable with or disagree with any part of the declarations and authorizations contained in the application, you should not submit an application to the OINP.

#### **5.1.2 Protection of your Personal Information**

The information provided in your application is subject to the [Freedom of Information and Protection of Privacy Act](#) (the "Act"). The Act provides a general

right of access to information in the custody or control of institutions, which includes ministries. However, the right of access to information is limited by a set of exemptions and exclusions. In this regard, section 17 of the Act protects certain third party information (i.e., information that applicants might submit to the Program) from being disclosed in response to an access to information request. More specifically, s. 17 of the Act states:

*17. (1) A head shall refuse to disclose a record that reveals a trade secret or scientific, technical, commercial, financial or labour relations information, supplied in confidence implicitly or explicitly, where the disclosure could reasonably be expected to,*

- (a) prejudice significantly the competitive position or interfere significantly with the contractual or other negotiations of a person, group of persons, or organization;*
- (b) result in similar information no longer being supplied to the institution where it is in the public interest that similar information continue to be so supplied;*
- (c) result in undue loss or gain to any person, group, committee or financial institution or agency; or*
- (d) reveal information supplied to or the report of a conciliation officer, mediator, labour relations officer or other person appointed to resolve a labour relations dispute.*

If an applicant's information meets the three-part test included in s. 17 – that is, the information is the type of information that the Act protects, the information was "supplied in confidence", and the disclosure of the information could reasonably be expected to result in one of the enumerated harms – then the OINP is prohibited from disclosing this information in response to an access to information request. The OINP cannot advise you on whether any particular information satisfies this test.

In the event the OINP receives a request for an applicant's information, the OINP is obligated under s. 28(1)(a) of the Act to provide the applicant with notice of the request, along with an opportunity to make representations as to why its information should be exempt from disclosure.

## **5.2 Processing Fee**

If you are invited to apply to the Entrepreneur Stream, you must make an electronic payment of **\$3,500** before you can submit your online application.

The application fee is per applicant. If you have a **business partner**, they must also make an electronic payment of **\$3,500** in order to complete their online application.

You can make an electronic payment by credit card (VISA or MasterCard) only. Please note that the OINP will **not** accept:

- Money Order
- Cashier/Certified Cheque
- Postal Money Order
- Bank Draft
- Cash
- Personal Cheques

Fees are **non-refundable** unless your application is deemed to be incomplete or you withdraw your application before the OINP has started processing it. The Province of Ontario charges fees to recover the cost of administering the OINP. Since the application fee helps pay for the cost of processing applications, fees will not be refunded if the application is not successful, if you withdraw the application after the OINP has started to process it, or if the province cancels or withdraws the nomination.

The Entrepreneur stream processing fee only covers processing by the OINP. Costs incurred for services such as translation, certification, notarization, travel, accommodation and incidentals (for business-related visits, **mandatory interviews** or otherwise) and/or personal **net worth** and source of funds verification are to be paid by the applicant (and **business partner**, if applicable).

Once the OINP nominates an individual, that nominee must apply directly to **IRCC** for permanent residence. Regular **IRCC** application fees will apply.

## 6.0 AFTER YOU APPLY

### 6.1 Application Assessment

Once the OINP has received your completed online application, including your processing fee and all required documentation, you (or your representative, if applicable) will receive an acknowledgement email to indicate that your application and payment have been received.

Your application will be assessed and all information that you provide will be verified to ensure its accuracy, legitimacy and completeness.

Processing times for the Entrepreneur Stream are to be determined. Please regularly check the [program website](#) for updates.

Once the OINP completes the assessment of your application, you (or your representative, if applicable) will be notified in writing of whether your application was approved or refused.

## 6.2 Incomplete Applications

Your application will not be deemed complete until it is reviewed for completeness by the OINP. If your application is found to be incomplete, it will not be processed and your application fee will be refunded.

An application may be deemed incomplete if:

- Incorrect supporting documents are provided; or
- Documents requiring translation are not certified or notarized.

Extensions will not be granted for incomplete applications. You must submit a complete application within 90 days from the date that your EOI was selected (as indicated in the email that you received from the OINP indicating that your EOI has been selected and you have been invited to apply).

## 6.3 Mandatory Interview

If your application is found to be complete, you (and your **business partner**, if applicable) will be required to attend a mandatory in-person interview at the OINP's office. The purpose of the **mandatory interview** is to gain a better understanding of your **business plan**, your past experience and other matters relevant to your application.

You are responsible for all transportation arrangements and costs incurred associated with the interview. The OINP will not provide financial or other support for your entry to Canada. If you are unable to attend the interview, your application may be refused and your processing fee will not be returned.

## 6.4 Checking Your Status

After you have submitted your application, you can log into the OINP e-Filing Portal through your *ONE-key* account to check the status of your application. Look for the column labeled "Status" on your main page. As your application makes its way through the various processing stages, the status of your application will be updated.

Please ensure that you check your status online before sending an inquiry to the OINP at [business.immigration@ontario.ca](mailto:business.immigration@ontario.ca).

## 6.5 Changes in Personal Information

The OINP must be notified if there are any changes to the information provided on your EOI or application, including (but not limited to):

- Change in contact information
- Change in immigration status (expiration or change in temporary work permit)
- Change in family composition due to:
  - Marriage or common-law relationship
  - Birth of a child
  - Change of custody of a child
  - Divorce/separation
  - Death

Changes to your primary telephone number, email address and country of residence can be made online by logging into the OINP e-Filing Portal and clicking on "My Profile" on your main page. After the change has been made, click "Save". For all other changes, you must complete the [Change of Personal Information](#) form.

This form must also be used to request a correction of a data entry error (e.g., spelling mistake) in your name or your date of birth made while registering. **Note:** The program will not accept requests for complete name or date of birth changes.

Once the form is completed, you must send it by email as an attachment to [business.immigration@ontario.ca](mailto:business.immigration@ontario.ca) indicating in the subject line "EOI/Application Change Notice – [EOI/File number]". If you are requesting a correction to your name or date of birth, please also include the personal details page of your passport to validate your request.

Failure to notify the OINP of any changes to personal information will impact the outcome of your application with the OINP and **IRCC**.

You must not send in additional documents and/or information to the OINP unless you need to notify the program of a change, or unless you have received a required for additional information. In both cases, you must contact the OINP by email.

**Note:** Paper documents are no longer accepted by mail, fax or in person.

## 6.6 Withdrawing your Application

If you wish to withdraw your application, you may do so in one of two ways:

1. Click on the “Withdraw” button next to your application on your main page of the OINP e-Filing Portal; or
2. Send an email to [business.immigration@ontario.ca](mailto:business.immigration@ontario.ca) asking the OINP to withdraw your application.

**Note:** Your processing fee will not be refunded if the OINP has already started processing your application.

In order to apply again, you must register a new EOI.

## 6.7 Stage 1 Decision

### 6.7.1 If your Stage 1 Application is Approved

If your Stage 1 application is approved, you will move to Stage 2 of the application process. You (and your **business partner**, if applicable) will be required to sign a **Performance Agreement** with the Government of Ontario. See [section 7.0](#) for more information.

### 6.7.2. If your Stage 1 Application is Refused

If your Stage 1 application is refused, you may seek an internal review of the refusal decision of your application should you feel an error was made by the program. See [section 6.8](#) for more information on the internal review process.

## 6.8 Internal Review (Stage 1)

After the OINP has made a decision on your application, you may seek an internal review of the decision should you believe an error was made by the program in making its decision.

You must send a written request for internal review by email to [internalreview-revisioninterne@ontario.ca](mailto:internalreview-revisioninterne@ontario.ca) as follows: within 30 calendar days after receiving notice of the original decision if you are a resident in Canada, or within 60 calendar days after receiving notice of the original decision if you are not a resident in Canada.

In your request for internal review, you must clearly identify any error in the program’s decision that, if not made, would have resulted in the decision being decided differently. The request must not include any evidence that was not

submitted to the program before the decision was made, unless the evidence was not reasonably available at that time.

Internal review requests are reviewed by an individual who was not involved in the original decision and who is independent of the original decision-maker. The internal review decision is final.

**Note:** Written requests for internal review are not accepted by mail, fax, or in person. All requests for internal review **must** be sent by email.

## 7.0 PERFORMANCE AGREEMENT

If your application is approved, you (and your **business partner**, if applicable) will be required to sign a **Performance Agreement** with the Government of Ontario. The **Performance Agreement** will outline the commitments required in order to be nominated for permanent residence. This document will include, but may not be limited to:

- A description of your business (including industry and its location),
- The investment amounts and timelines,
- The number and type of jobs to be created for Canadian citizens or permanent residents,
- Mandatory business milestones and achievements (depending on your specific business), and
- Timeframes for any commitments.

**Performance Agreements** are unique to each applicant and are based on the information provided in your EOI and application, your **business plan**, and your interview.

If you fail to satisfy the business commitments outlined in the **Performance Agreement**, you will not be eligible for nomination for permanent residence.

## STAGE 2

### 8.0 BEFORE YOU ARRIVE

#### 8.1 Temporary Work Permit

Once you (and your **business partner**, if applicable) have signed your **Performance Agreement**, the OINP will issue you (and your **business partner**, if applicable) a letter of confirmation so that you can apply to **IRCC** for a temporary

work permit. This letter constitutes Ontario's support for you and your family to move to Ontario to start your business.

Note that temporary work permits are not issued by the OINP. You must apply through **IRCC**. A temporary work permit is the official document issued by the Government of Canada that allows a foreign national to legally work on a temporary basis in Canada.

The OINP may choose to withdraw support for your temporary work permit if you no longer meet the eligibility criteria of the Entrepreneur Stream.

## 9.0 AFTER YOU ARRIVE

### 9.1 Arrival

After you sign your **Performance Agreement**, you must arrive in Ontario with your valid temporary work permit issued by **IRCC** within 12 months from the date of your letter of confirmation.

If you do not arrive within 12 months from the date of your letter of confirmation, your application to the OINP will be withdrawn.

You must inform the OINP of your arrival within seven days from the date of your arrival in Ontario.

### 9.2 Building your Business

Once you've arrived in Ontario, you have up to 20 months from the date that you arrive to implement your **business plan** and meet all your commitments outlined in your **Performance Agreement**.

You must ensure that the required **permanent full-time jobs** are continuously filled for at least 10 months, up to the day you submit your **Final Report**. The OINP reserves the right to withdraw their support for your temporary work permit if you do not meet the commitments in your **Performance Agreement**.

### 9.3 Monitoring of Business

To ensure your business stays on track with the objectives outlined in the **Performance Agreement**, and to assist with any issues you may have, **OINP officers** will monitor your business. Monitoring may include visiting your business.

In addition, you will be required to provide quarterly reports and a **Final Report** to the OINP indicating your progress.

## 9.4 Final Report

You are responsible for submitting a **Final Report** to the OINP between 18 and 20 months after you arrive in Ontario with your valid temporary work permit. You will be provided with a template for the **Final Report** by an **OINP officer** once you reach this stage. Please note that a **Final Report** to initiate the nomination process cannot be submitted earlier than 18 months from arrival and only after the OINP has completed the required monitoring.

The **Final Report** along **supporting documentation** must be submitted to the OINP in order to initiate the nomination process.

In your **Final Report**, it is your responsibility to demonstrate that you have met your **Performance Agreement** commitments.

The OINP will review and evaluate your **Final Report** and may request additional information if required. Additionally, **OINP officers** may conduct a site visit of your business, at their discretion.

# 10.0 NOMINATION

## 10.1 Nomination Criteria

After the OINP has confirmed that the **new business** has met the commitments outlined in the **Performance Agreement**, you and your **business partner** (if applicable) must both meet the following general nomination criteria to be considered for nomination:

- **Language:** **CLB** 4 or higher in English or French
- **Residency:** You (and your **business partner**, if applicable) must physically reside in Ontario for 75 per cent of the year (nine months out of the year) to support your business during your **Performance Agreement** period.
- **Active Management:** You must be actively involved in the day-to-day management activities of your business.

For more information on the nomination requirements, please refer to [section 2.2.4](#).

Once it has been determined that you (and your **business partner**, if applicable) have met the **Performance Agreement** commitments, OINP will contact you and

request the submission of **supporting documentation** to assess the nomination criteria.

If your application is successful, you will receive a Letter of Nomination along with the OINP Confirmation of Nomination document.

## **10.2 Applying for Permanent Residence to IRCC**

Successful nominees must submit an application for permanent residence to **IRCC** within six (6) months of being nominated by the OINP. You must include a copy of your Letter of Nomination and a copy of the OINP Confirmation of Nomination document.

Extensions to Confirmation of Nomination documents will only be granted in cases where applicants can demonstrate that the deadline for applying to **IRCC** cannot be or was not met because of mitigating circumstances.

**Note:** Nomination by OINP does not guarantee the approval of your application for permanent residence by **IRCC**.

For more information on applying for permanent residence, please visit [IRCC's website](#).

## **10.3 Internal Review (Stage 2)**

After the OINP has made a decision on your application, you may seek an internal review of the decision should you believe an error was made by the program in making its decision.

You must send a written request for internal review by email to [internalreview-revisioninterne@ontario.ca](mailto:internalreview-revisioninterne@ontario.ca) as follows: within 30 calendar days after receiving notice of the original decision if you are a resident in Canada, or within 60 calendar days after receiving notice of the original decision if you are not a resident in Canada.

In your request for internal review, you must clearly identify any error in the program's decision that, if not made, would have resulted in the decision being decided differently. The request must not include any evidence that was not submitted to the program before the decision was made, unless the evidence was not reasonably available at that time.

Internal review requests are reviewed by an individual who was not involved in the original decision and who is independent of the original decision-maker. The internal review decision is final.

## **11.0 AFTER NOMINATION**

Post-nomination monitoring will continue for a period of 36 months after you have been nominated. This monitoring will be undertaken to ensure that nominees continue to meet program criteria up until the granting of permanent resident status. The timeframe beyond the attainment of permanent residence will be monitored to collect valuable information from former nominees who will assist with the evaluation of the program.

## **12.0 CONTACT INFORMATION**

For any questions about the Entrepreneur Stream, please contact the OINP by email at [business.immigration@ontario.ca](mailto:business.immigration@ontario.ca) or by phone at 416-327-0374 or toll-free at 1-866-214-6820 (within North America only).

The OINP uses Statistics Canada’s Census Metropolitan Area (CMA) and Census Agglomeration (CA) data to divide business locations across Ontario into three categories based on population size:

**Note:** if your proposed business location is not identified within Category A or B, you can claim the maximum points for this factor.

# APPENDIX 5: BUSINESS PLAN GUIDE

## What is a Business Plan?

A business plan is a written document that describes your proposed business in detail, including:

- The purpose and objectives of your proposed business including what it is selling, who are its customers and how it will operate
- How your proposed business will achieve the purpose and objectives
- What are the operational and financial goals of the business
- What challenges lie between the execution of your business plan and the achievement of its purpose, objectives and goals
- What is your plan to overcome the challenges (e.g. sales, advertising, pricing, marketing, competition, industry regulations, cash flow and finances, changing market conditions, hiring the right people)

If you are invited to apply to the program you must also demonstrate how your proposed business will meet the minimum requirements of the OINP, including the claims that you made in your EOI (e.g. how you will spend the total investment amount and how you will create the mandatory number of permanent full-time jobs).

## Supporting Documentation

A strong business plan contains supporting documentation. Wherever possible, empirical evidence is preferred to theoretical evidence and should be provided to support the claims and intentions of the business plan. Some examples of supporting documentation evidence are: financial statements, tax statements, sales forecasts, competitor analysis, industry statistics, market trend data, employee staffing and human resource plans, risk assessments, applications for licenses or permits and industry association memberships.

Since every business is different, there is no perfect standard for business plans. Your plan may be to buy and improve an existing business, or you may plan to start an entirely new business. However, the process of collecting evidence and supporting documentation will lead to a stronger overall business plan because it forces you to think about every aspect of your business, and how it will succeed.

Submission of supporting documentation to the OINP is a mandatory requirement for the OINP to nominate you and your family (and your business partner and their family if applicable) for permanent residence.

## **Monitoring your Business Plan and the Performance Agreement**

If you apply to the program and your application is approved, the OINP will monitor your business and you will be required to sign a Performance Agreement. The Performance Agreement is a legal contract with the OINP which lists specific things that your business must do in order to be successful, including dates when you must submit progress reports to the OINP and what specific supporting documentation is required. A strong business plan will help you to plan for the growth and progress of your business. Your business's success can depend on your plans for the future.

## **How to Structure Your Business Plan**

Your business plan should be complete, clear and concise. The length of your business plan is not as important as the content. A 15-page business plan can be better than a 20-page business plan and there is no benefit or additional consideration given for longer business plans that use extra words or repeat content.

The business plan must be written:

- Using 10-12 point font size (or equivalent)
- Single spaced
- Must not exceed 20 standard letter sized pages (8.5 inches by 11 inches or 215.9mm x 279.4mm) in length, not including supporting documentation or other attachments or appendices

Your business plan should contain six sections. The length of each section will vary, depending on the type of business. The sections should be written in the following order:

- Executive Summary
- Business Model
- Regulatory Requirements
- Risk Management
- Financial Analysis
- People Case

**To help you write your business plan, sample questions for each section are included in this document. Consider each question carefully. Although you do not have to answer each and every question in your business plan, these are examples of the types of questions that will be used to assess your business plan (if you are invited to apply to the program). You do not have to answer all of the questions in your business plan. If the sample**

**question does not apply to your business plan or you are unable to provide an answer for any reason, you may want to indicate why it does not apply. Consider the strengths, opportunities, weaknesses and threats for each section. Each section must satisfy an OINP minimum assessment requirement and if your application is approved, may be measured using performance commitments as part of the Performance Agreement.**
