1.0 INTRODUCTION: ONTARIO'S EXPRESS ENTRY FRENCH-SPEAKING SKILLED WORKER STREAM

1.1 What is the Ontario French-Speaking Skilled Worker Stream?

The Ontario French-Speaking Skilled Worker Stream is designed for French-speaking skilled workers who have strong English language abilities and who want to live and work permanently in Ontario. This stream enables the Ontario Immigrant Nominee Program (OINP) to nominate individuals who have the required education, skilled work experience, language ability, and other characteristics to help them successfully establish and integrate into Ontario's labour market and communities. Applicants to this stream must have qualified for Immigration, Refugees, and Citizenship Canada's (IRCC's) Express Entry pool.

This stream is also intended to support immigration by French-speaking candidates who also have sufficient English language ability to succeed in Ontario's labour market. This supports Ontario's commitment to increase Francophone immigration to 5% of overall immigration to the province.

For further information on how to register for Express Entry and more information on the Government of Canada immigration programs, please visit the [IRCC website](#).

1.2 Overview of Process (Steps)

Note: You may not apply directly to the French-Speaking Skilled Worker Stream. You must have received a Notification of Interest (NOI) from Ontario through your IRCC online account before you can apply to the OINP under this stream. If you do receive an NOI, please review all stream requirements to ensure that you are eligible before you apply.

Step 1: Create an online Express Entry profile

- You must create a profile in IRCC's Express Entry system. Once you do, you will receive an Express Entry Profile Number and a Job Seeker Validation Code (also known as a Candidate Identifier Code). You will need these numbers to submit your application to Ontario.
- When you create a profile in Express Entry, you must either indicate your interest in immigrating to Ontario or "All Provinces and Territories."

- You must qualify for one of two federal economic immigration programs: the Federal Skilled Worker Program (FSWP) or the Canadian Experience Class (CEC).

Please see [Appendix 1](#) for more information on the FSWP and CEC criteria or visit the [IRCC website](#).

- You must provide accurate and truthful information in your Express Entry profile. If the information in your Express Entry profile is inaccurate or not truthful, your OINP application could be refused or your nomination withdrawn. IRCC could also find you inadmissible and/or bar you from applying to immigrate to Canada for five years. For more information, please visit the [IRCC website](#).

Step 2: OINP identifies candidates in the Express Entry pool

- OINP searches the Express Entry pool and identifies potential candidates who meet all French-Speaking Skilled Worker Stream criteria (see [section 2.0](#) for more information) including:
 1. Minimum of Canadian Language Benchmark (CLB) level 7 in French and CLB 6 in English;
 2. Minimum work experience (see [section 2.1.1](#) for more details on requirements);
 3. Equivalent of a Canadian Bachelor's degree or above;
 4. Sufficient settlement funds; and
 5. An intention to reside in Ontario.
- If OINP identifies you in the Express Entry pool, you will receive a Notification of Interest (NOI) from Ontario through your IRCC online account. After you receive an NOI, and if you meet the stream requirements, you may apply to the OINP for nomination under the French-Speaking Skilled Worker Stream.

Step 3: Apply to OINP under the French-Speaking Skilled Worker Stream

- After you receive a Notification of Interest from Ontario through your IRCC online account, you have 45 calendar days to apply to OINP under the French-Speaking Skilled Worker Stream. If the deadline to submit the application falls on a weekend or a statutory holiday, the deadline to submit the application will be extended to the next working day.
- To apply, you must submit your application online through the OINP e-Filing Portal and ensure that you include all the required supporting documents (see [Appendix 5](#)).
 - All applicants must indicate which federal immigration program requirements they wish to be assessed against: FSWP or CEC.

- OINP will assess your nomination according to the French-Speaking Skilled Worker Stream eligibility criteria. Your application will also be assessed to ensure you meet the FSWP or CEC criteria.

Step 4: Accept nomination from Ontario and apply for permanent residency

- If your application is approved by Ontario, you will receive a letter from OINP through your IRCC online account notifying you of your nomination. You have 30 calendar days to accept the nomination from Ontario in the Express Entry system.
- A nomination from Ontario will give you an additional 600 points in the Comprehensive Ranking System (CRS) and you will receive an invitation to apply for permanent residence from IRCC.
- Once you receive an invitation to apply from IRCC, you have 90 calendar days to submit your application for permanent residence to IRCC.

For more information on IRCC's application process for permanent residence for provincial nominees through the Express Entry system, please visit [IRCC's website](#).

- IRCC will assess your intention to reside in Ontario, as well as your admissibility to Canada, which includes health, security, and criminality checks as per Canada's *Immigration and Refugee Protection Act*. IRCC will also verify all information provided in your Express Entry profile and application to ensure that you met and continue to meet the Express Entry minimum entry criteria.

Note: If you receive and accept an Invitation to Apply (ITA) from IRCC or a nomination from another province or territory after you have already applied to OINP, the OINP is unable to continue processing your application. You must submit a request to withdraw your application with the OINP. Your application fee will **not** be refunded if the OINP has started processing your application. Application fees are non-refundable if processing has already begun, as they cover OINP's cost of processing applications.

1.3 Who may not apply?

You may not apply to OINP under the French-Speaking Skilled Worker Stream if:

- You have not received a Notification of Interest from Ontario through your IRCC online account or your Notification of Interest has expired (i.e. it was issued more than 45 days ago),
- You are a refugee claimant in Canada, and
- You do not have a valid profile in the Express Entry pool.

Disclaimer

- Please note that applicants who meet Ontario's stream criteria may not necessarily receive a Notification of Interest. Ontario cannot guarantee that applicants will receive any particular result or benefit as a result of meeting its criteria.

IMPORTANT: NOTE ON REFUGEE CLAIMANTS

Refugee claimants with a pending application to remain in Canada are not eligible to apply to OINP. Refugee claimants whose claim has been rejected, abandoned, or withdrawn must exit Canada prior to applying to OINP. Refugee claimants may only apply to OINP once they have left Canada.

For more information related to refugee claimants, visit the [Immigration, Refugees, and Citizenship Canada \(IRCC\) website](#).

2.0 ELIGIBILITY CRITERIA

2.1 Ontario Immigrant Nominee Program (OINP) Criteria

To be eligible to apply for **Ontario's Express Entry French-Speaking Skilled Worker Stream**, you must meet the following provincial criteria listed in sections 2.1.1 to 2.1.5. Please refer to the Document Checklist in [Appendix 5](#) for a list of supporting documents that you must include with your application to support that you meet program criteria.

2.1.1 Work Experience

All applicants are required to have a minimum level of work experience. Please ensure that you provide supporting documentation (see [Appendix 5](#)) to demonstrate that you have work experience in the National Occupational Classification (NOC) code indicated in your Express Entry profile with Immigration, Refugees and Citizenship Canada. The NOC code on your application should be consistent with the NOC code in your profile. If there is a discrepancy between what is provided in your application and in your Express Entry profile, you will be assessed against the NOC code in your Express Entry profile.

Please see [Appendix 2](#) for information on how to find your NOC code.

Note: Any work experience obtained after you received your Notification of Interest (NOI) from Ontario through your IRCC online account will **not** count towards the minimum 12 months of work experience required. You must have accumulated at

least 12 months of work experience by the date that you received your NOI to qualify under the French-Speaking Skilled Workers Stream.

Federal Skilled Worker Program (FSWP)

If you choose to be assessed against the FSWP criteria, you must be able to demonstrate that your work experience meets the following requirements:

- Work experience was **continuous** and at least **one year** in length,
 - **Note:** Work experience must be acquired over a period of at least one year; work in excess of 30 hours per week over a shorter period cannot compensate for any shorter overall period of experience.
- Work experience was **full-time** (minimum of 30 hours/week for 12 months = 1,560 hours) **or** the equivalent in part-time (minimum of 15 hours/week for 24 months or 30 hours/week for 12 months in multiple concurrent jobs = 1,560 hours),
- Work experience was **paid** (volunteer work and unpaid internships do not count),
- Work experience was in Skill Type 0 or Skill Levels A or B of the National Occupation Classification (NOC),
- At least one year of your work experience was in the **same** NOC occupation, and
- Work experience was obtained **within the last five years** from the date of the Notification of Interest from Ontario.

Note: Your continuous full-time or part-time work experience may consist of multiple back-to-back jobs with the same or different employer(s) (with no gap in between) provided that at least one year of your work experience was in the same NOC occupation and you included this occupation as your primary NOC in your Express Entry profile.

Under the FSWP criteria, your work experience may have been obtained in Canada or overseas provided that it meets the FSWP criteria.

Canadian Experience Class (CEC)

If you choose to be assessed against the CEC criteria, you must be able to demonstrate that your work experience meets the following requirements:

- Work experience was cumulative **or** continuous and at least **one year** in length,
 - **Note:** Work experience must be acquired over a period of at least one year; work in excess of 30 hours per week over a shorter period cannot compensate for any shorter overall period of experience.
- Work experience was obtained **in Canada**,
- Work experience was **full-time** (minimum of 30 hours/week for 12 months = 1,560 hours) **or** the equivalent in part-time (minimum of 15 hours/week for

24 months or 30 hours/week for 12 months in multiple concurrent jobs = 1,560 hours),

- Work experience was **paid** work (volunteer work and unpaid internships do not count),
- Work experience was in Skill Type 0 or Skill Levels A or B of the National Occupation Classification (NOC), and
- Work experience was obtained **within the last three years** from the date of the Notification of Interest from Ontario.

Note: Paid work experience gained while studying full-time at a post-secondary institution (for example, on a co-op work term), and self-employment are not eligible under the CEC.

2.1.2 Education

All applicants must have a Canadian Bachelor's, Master's or PhD degree or its equivalent. If your studies were completed outside of Canada, you must obtain an Educational Credential Assessment (ECA) report produced by a designated organization indicating that your foreign education is the equivalent of a Canadian Bachelor's, Master's or PhD degree. The ECA report must not be more than five years old when you submit your application.

The OINP will only accept an ECA report from one of following organizations designated by IRCC:

- [Comparative Education Service – University of Toronto School of Continuing Studies](#),
- [International Credential Assessment Service of Canada](#),
- [World Education Services](#),
- [International Qualifications Assessment Service](#),
- [International Credential Evaluation Service](#),
- [Medical Council of Canada \(professional body for Doctors\)](#), **OR**
- [Pharmacy Examining Board of Canada \(professional body for Pharmacists\)](#).

Note: When completing your application for an ECA, you **must** authorize the organization to share the results of your ECA with the OINP. Further instructions can be found in [Appendix 4](#). Failure to grant the OINP access to your ECA results will delay the processing of your application.

For further information on ECA requirements, visit [IRCC's website](#).

2.1.3 Language Proficiency

All applicants must have a French-language level of Canadian Language Benchmark (CLB) **7** or above in all language competencies (reading, writing, listening, and

speaking) **AND** an English-language level of CLB **6** or above in all competencies as demonstrated through language tests.

Acceptable tests for language ability are: International English Language Testing (IELTS) (General Training Test only) or Canadian English Language Proficiency Index Program (CELPIP) (General Test only) for English testing and Test d'Évaluation de Français (TEF) for French testing.

Your language test results must not be older than **24 months** at the time of application submission to ensure the results are valid at the time of permanent residence processing.

You must have the following minimum scores in each of the language competencies:

COMPETENCY	TEF	IELTS	CELPIP
Listening	249-279	5.5	6
Reading	207-232	5.0	6
Writing	310-348	5.5	6
Speaking	310-348	5.5	6

2.1.4 Settlement Funds

All applicants must possess sufficient funds and/or income to cover the settlement costs for themselves and their dependent family members.

Funds must be unencumbered and readily transferable in a convertible currency. "Unencumbered" means that your funds are easily accessible and free of debt or other financial liability. You must be able to use this money to pay the costs of living for you and your dependent family members whether or not they are accompanying you to Ontario.

The minimum amount of funds is determined by the Low Income Cut-Offs (LICO) and based on the number of family members in your household. The number of family members in your household includes you and your dependents, which consists of your spouse or common-law-partner, your children under the age of 19 and their children, whether they are accompanying you to Ontario or not.

To determine the settlement funds required for your family size, please review the LICO chart found on [IRCC's website](#). The LICO amounts are updated every year.

Note: If the number of family members in your household changes (e.g., through marriage, birth of a child, death, divorce, etc.), you must inform OINP. See [section 5.4](#) on Changes in Personal Information.

You must maintain the minimum amount of funds required from the time of application submission up until the time a decision is made on your application.

To demonstrate that you meet the settlement funds requirement, you must submit **copies of six months of your most recent bank statements**. All applicants must submit their bank statements, including those who are claiming ongoing employment income in Ontario.

- The bank statements must include your name or your spouse or common-law partner's name, account number, transit and institution number, account balance and currency.
- The bank statements must also demonstrate a personal account standing/final balance that meets or exceeds the LICO, unless you submit further documentation to support your funds.

Note: If you provide bank statements in your spouse or common-law partner's name, you must include a letter from the financial institution and/or your spouse or common-law partner indicating that you have access to these funds.

If your account balance on your bank statements does not meet or exceed the LICO, you may also submit copies of your fixed term deposits, stocks, mutual funds, investments, and/or pensions to demonstrate you have the required funds. However, you must confirm that these funds can be immediately liquidated and indicate at what value, and that they are free of debt or financial liability.

Remember: all of your funds must be immediately accessible and transferable in a convertible currency in order for the funds to contribute towards your required settlement funds.

Alternatively, you may also claim your ongoing employment income in Ontario or a valid job offer in Ontario to satisfy the settlements funds requirement if you do not possess the minimum amount of funds. To be eligible, you must be currently residing in Ontario and be able to legally work in Canada. You will be required to submit proof of your employment or job offer in Ontario to demonstrate your salary.

Note: The OINP may request additional proof of funds (i.e. more recent bank statements) at any point during the processing of your application.

2.1.5 Intention to Reside in Ontario

All applicants must intend to reside in Ontario.

You will be required to list your established ties to Ontario. Ties to Ontario can include but are not limited to, the following:

- Current and/or previous employment in Ontario,
- Job offers or jobs applied/interviewed for in Ontario,
- Education in Ontario,

- Volunteer work in Ontario,
- Lease agreements for a residence in Ontario or property ownership,
- Professional networks and affiliations,
- Family ties,
- Social connections or personal relationships, and/or
- Previous visits to Ontario.

2.2 Federal Skilled Worker Program (FSWP) Criteria

If you choose to be assessed against FSWP criteria, you will need to score at least 67 points on the six selection factors. The 67 point minimum score is a requirement of the FSWP.

For more information on the FSWP criteria, see [Appendix 1](#). You are advised to consult [IRCC's website](#) while preparing your submission to ensure that you have the most up-to-date information.

3.0 BEFORE SUBMITTING AN ONLINE APPLICATION

You can only submit an application if you received a Notification of Interest (NOI) from Ontario through your online account with IRCC. Before submitting your application to the OINP, you should ensure that you meet all stream requirements.

Your online application will only be considered complete if you have:

- Answered all mandatory fields in the online application,
- Uploaded all required supporting documentation,
- Read and agreed to all declarations and authorizations, and
- Made an electronic payment of your application fee.

Note: You will be required to upload a copy of your NOI with your application. If this letter is not included, your application will be deemed incomplete.

Your complete online application must be submitted within 45 calendar days from the date of your Notification of Interest from Ontario. If the deadline to submit the application falls on a weekend or a statutory holiday, the deadline to submit the application will be extended to the next working day.

3.1 Access the OINP e-Filing Portal

You must access the OINP e-Filing Portal directly from the [OINP website](#) where you will find further [instructions on how to register](#) for, and apply to, the French-Speaking Skilled Worker Stream.

Important:

- You must have received a Notification of Interest (NOI) from Ontario through your IRCC online account before you can apply to the OINP under this stream.
- Your NOI is valid for **45 calendar days**, which means that you must submit your application to the OINP within 45 days of receiving your NOI from Ontario.

For more information about completing your online application, please see [section 4.0](#).

3.2 Authorizing a Representative

If you receive help from an individual to apply to the OINP and you wish for this individual to act on your behalf with the OINP, you must authorize this individual as your representative before completing your online application.

Please note the following important information about using a representative:

- You may only have one active representative at a time, and this representative may **only** be appointed using the processes outlined below.
- Once a representative is authorized to act on your behalf during the OINP application process, all OINP communications will be directed to your representative. However, you may log in to your ONE-key account at any time to view the status of your application.
- Note that even if you have a representative, you are still responsible for the accuracy and completeness of information that is provided to the OINP.

3.2.1 Who is a Representative?

A representative is a person who has permission to conduct business on your behalf. The representative can be paid or unpaid. Paid authorized representatives are defined by the *Immigration and Refugee Protection Act* (IRPA) and include:

- citizenship or immigration consultants who are members in good standing of the [Immigration Consultants of Canada Regulatory Council](#),
- lawyers who are members in good standing of a [Canadian provincial or territorial law society](#),

- notaries who are members in good standing of the Chambre des notaires du Québec, and
- paralegals (Ontario only) who are members of [the Law Society of Upper Canada](#).

Note: Please note that only “authorized” representatives can charge you a fee or receive any other type of payment.

If you authorize a paid representative who does not qualify as a paid authorized representative, you will be contacted by the OINP and advised that the individual must be removed or replaced as the representative.

Unpaid representatives include:

- family members,
- friends, and
- other third parties who do not charge a fee.

3.2.2 How to Authorize a Representative Online

Your representative must access the OINP e-Filing Portal directly from the [OINP website](#) where he/she/they will find further instructions on the process to register as a representative and submit an application to the French-Speaking Skilled Worker Stream on your behalf.

If you have not registered a profile in OINP e-Filing Portal, you will receive two emails from the OINP after your representative registers a profile on your behalf. The first email will include your enrollment number and the second will include your PIN number. You must then sign up for a ONE-key account using these two numbers. Once logged into the e-Filing Portal, you can authorize your representative.

Your representative will only be able to complete your online application after he/she/they has/have been authorized to do so.

However, if you already registered a profile in the OINP e-Filing Portal and you now wish to authorize a representative after the fact, you must complete the following steps:

1. Provide your representative with the application number found under “File Number” on the main page of your OINP e-Filing Portal.
2. Your representative must then log in to his/her/their ONE-key account and select “Add an Existing Application” on his/her/their main page.
3. Your representative will need to enter your “File Number” and your email address in the boxes provided.
4. Once the application is found, your representative can click on “Add this Application”.

5. At that time, you will receive an email notification from the OINP asking you to log in to your ONE-key account to authorize this representative. You can do so by clicking on "Authorize" found on the section entitled "My Representative".
6. Once authorized, your representative will be able to log in to his/her/their ONE-key account and view and/or continue your application. **Note:** any fields that you have already filled out in your application will appear as read-only for your representative.

3.2.3 Cancelling a Representative

You may cancel your representative at any time. To do so, log in to your ONE-key account and select "Cancel" under the "My Representative" section.

Once you have cancelled your representative, he/she/they will no longer be able to access any information about your application with the OINP, nor will he/she/they be authorized to conduct any business on your behalf.

3.3 Document Translation and Notarization

If a supporting document is not in English or French, you must provide a copy of the document and a complete, **certified or notarized translation** of the document.

If you are applying from within Ontario, the translations must be completed by a **certified translator** accredited by the Association of Translators and Interpreters of Ontario (ATIO). For more information on certified translators in Ontario, visit the [ATIO's website](#).

If you are applying from within Ontario but cannot locate a certified translator accredited by ATIO with proficiency in the language required for translation, the translation may be completed by any translator as long the translation is **notarized**. To request this exception, the applicant must include a letter to explain why the translations are not certified and demonstrate their efforts to locate a certified translator.

If you are applying from outside Ontario, the translation can be completed by any translator. However, the translation must be **notarized**. The OINP reserves the right to require applicants to submit translations completed by a certified translator accredited by ATIO if the notarized translation is deemed insufficient by officers assessing the application.

You are responsible for all translation and notarization costs.

Applications with translations that are not complete and certified or notarized are considered incomplete and will not be processed.

Translations that are completed by the applicant, the applicant's representative, or other individuals with personal ties to the applicant are not acceptable in any case even if these individuals are certified translators.

4.0 COMPLETING YOUR ONLINE APPLICATION

Note: You must have received a Notification of Interest (NOI) from Ontario and [registered](#) for the French-Speaking Skilled Worker Stream in the OINP e-Filing Portal before you can complete an online application.

To begin your application, you must log into the OINP e-Filing Portal. You can access the OINP e-Filing portal [here](#). Once you have arrived at the main page of your OINP e-Filing portal, you can click on the alpha-numeric number found under "File Number" (i.e. XFSW-1703158).

You can now begin your application. You will notice approximately 21 tabs on the left column of each application page. Each tab corresponds to a section of the application and is categorized by subject.

To navigate between tabs, you can click on any tab at any time to review and complete the questions.

It will take approximately two hours to complete your online application, but you are not required to complete the entire application in one session.

4.1 Saving your Application

You can save your application and return to it at any time; however, be mindful that you must submit your application within 45 calendar days from the date of your Notification of Interest from Ontario.

There are three ways to save your application:

1. Click the "Save" button at the bottom right corner of each page;
2. Click the "Next" or "Previous" buttons at the bottom of each page; or
3. Click the "Check for Errors" button at the bottom right corner of each page.

Note that saving your incomplete application does not submit your application to the program. Your application will only be submitted once you have completed all

mandatory fields, uploaded all required documentation, read and agreed to all declarations and authorizations, and paid your application fee.

To determine whether you have missed any mandatory fields or to see if there are errors in your application, click the "Check for Errors" button at the bottom right corner of each page or at the end of your application.

4.2 Application Tabs

The following provides information on the tabs you will navigate to complete the online application.

4.2.1 Assistance with Application

You must indicate whether or not you have received, or are receiving, help preparing or completing your application. If yes, you must provide the person's name and relationship to you.

You must also indicate whether you have paid or will pay this person to assist you with your application.

Please note that only "authorized" representatives can charge you a fee or receive any other type of payment. Authorized representatives include:

- citizenship or immigration consultants who are members in good standing of the [Immigration Consultants of Canada Regulatory Council](#),
- lawyers who are members in good standing of a [Canadian provincial or territorial law society](#),
- notaries who are members in good standing of the Chambre des notaires du Québec, and
- paralegals (Ontario only) who are members of [the Law Society of Upper Canada](#).

Unpaid representatives include:

- family members,
- friends, and
- other third parties who do not charge a fee.

If you wish to appoint this individual to serve as your representative and conduct business on your behalf with the OINP, you will be directed to submit your application through the representative's account once he/she/they has/have been authorized to act as your representative.

4.2.2 General Information

In this tab, you must enter your Express Entry Profile Number and your Job Seeker Validation Number.

An Express Entry Profile Number is an alpha-numeric code given to a candidate who has successfully created a profile and entered the Express Entry pool. The code begins with an "E" and is followed by 9 digits. You can find your profile number at the top of your "Welcome to the pool" letter, which is sent to your online account with IRCC.

A Job Seeker Validation Code is a four-digit number given to a candidate who has successfully entered the Express Entry pool. The code is automatically generated by the system. You can find your validation code in your "Welcome to the pool" letter, which is sent to your online account with IRCC.

4.2.3 Applicant Information

In this tab, you must provide information about yourself such as your name, date and place of birth, sex, citizenship, country of residence, marital status, and passport information. This information is required for program integrity purposes.

If you have used or currently use other names including your name at birth, maiden name, previous married name, alias and nicknames, you must list them and provide details.

Please review the descriptions below to assist you in choosing the correct option for marital status:

- *Annulled Marriage:* This is a marriage that is legally declared as not valid. An annulment can also be a declaration by the Catholic Church that the marriage union did not have a binding force.
- *Common-Law:* This means that you have lived continuously with your partner in a marital-type relationship for a minimum of one (1) year.
- *Divorced:* This means that you are officially separated and have legally ended your marriage.
- *Legally Separated:* This means that you are married, but no longer living with your spouse, and you have signed a Separation Agreement.
- *Married:* This means that you and your spouse have had a ceremony that legally binds you to each other. Your marriage must be legally recognized in the country where it was performed and in Canada. Please see [section 5.30](#) of the IRCC Guide for more information on recognized marriages in Canada.
- *Never Married:* This means that you have never been married and are not in a common-law relationship.
- *Partner:* This means that you are in a relationship, but you do not live together, or have lived together for less than one (1) year.

- *Widowed*: This means that your spouse has died and that you have not re-married or entered into a common-law relationship.

4.2.4 Contact Information

You must indicate if your job is in a regulated profession in Ontario. Some professions are regulated in Ontario, which require mandatory certification or licensing. If you are currently working in Ontario, you must include information on your current job. You must indicate whether you have a valid work permit and whether your work permit is supported by a LMIA.

Please see [Appendix 2](#) for information on how to find your NOC code.

4.2.9 Work History

You must include your start date, hours of work per week, job title, National Occupational Classification (NOC) code, employer name and country of work. If your job was in Canada, indicate whether or not you had a valid work permit.

Note: Any work experience obtained after you received your Notification of Interest (NOI) from Ontario through your IRCC online account will **not** count towards the minimum 12 months of work experience required. You must have accumulated at least 12 months of work experience by the date that you received your NOI to qualify under the French-Speaking Skilled Worker Stream.

Please see [section 2.1.1](#) on Work Experience for more information and [Appendix 2](#) for information on how to find your NOC code.

4.2.10 Other Activities (excluding education and paid work)

In this tab, you must indicate whether you were involved in any other activities, besides attending secondary/post-secondary school or working, in the last ten years (or since the age of 18 if this was less than ten years ago). Other activities may include travel (personal or business), training, unemployment, volunteer work, sick leave, parental leave, etc. When combined with your education and work history, there should be no gaps in time. This section is only required if you were involved in other activities outside of education and work.

The OINP requires this information to support program integrity and also so that these family members can be included and verified by Immigration, Refugees and Citizenship Canada (IRCC) as part of the application process if you are successfully nominated for permanent residence.

Spousal or Common-Law Partner Information

If you have an accompanying spouse or common-law partner, you may provide additional details of your spouse or common-law partner's:

- work experience in Canada,
- secondary or post-secondary education completed on a full-time basis in Canada,
- language proficiency in English or French.

Please see [Appendix 1](#) for more information on how points are awarded under the FSWP selection grid.

In this tab, you must indicate the amount of funds available, or an ongoing employment income in Ontario, to support yourself and your dependent family members in Canada.

Your funds must be unencumbered, readily transferable in a convertible currency, and supported by bank statements. "Unencumbered" means that your funds are easily accessible and free of debt or other financial liability.

The system will prepopulate your total number of dependent family members based on the information you provided in the Family Information section. If this number is incorrect, please return to the previous section and make any required changes.

Alternatively, you may also claim your ongoing employment income in Ontario or a valid job offer in Ontario to satisfy the settlements funds requirement (note that you must be able to legally work in Ontario).

Please see [section 2.1.4](#) for more information.

4.2.14 Learning about OINP

In this tab, you must indicate how you learned about the OINP. This information will be used solely for evaluation purposes. You should check only **one** box.

4.2.15 Your Supporting Documents

You must attach supporting documents to substantiate the information you provide in the online application and to help establish that you meet the eligibility criteria – both the OINP criteria and the FSWP or CEC criteria.

Note: The OINP no longer requires original hard copies of your supporting documents. All supporting documents must be scanned and uploaded in your online application. This includes copies of your degree and transcripts.

Please see [Appendix 5](#) for the list of documents.

Reminder: If a supporting document is not in English or French, you must provide a copy of the document and a complete, certified or notarized translation of the document. Please see [section 3.3](#) for more information.

Your supporting documents must be uploaded using one of the following document formats: .doc, .docx, .xls, .xlsx, .ppt, .pptx, .pdf, .rtf, and .txt, or image file types: .jpeg, .bmp, .png, .gif, and .tiff. The file size limit is 5 MB per file.

Ensure that all text and images are clear, legible, and complete (for example – you are required to provide copies of all pages of your passport).

In addition, please ensure that all pages for a specific document are uploaded into one file (for example, all pages of a passport should appear in one document, rather than a separate document for each passport page).

4.2.16 Family Documents

You must also attach supporting documents to substantiate the information you provide in the online application about your family members.

Please see [Appendix 5](#) for the list of documents.

Reminder: If a supporting document is not in English or French, you must provide a copy of the document and a complete, certified or notarized translation of the document. Please see [section 3.3](#) for more information.

Your supporting documents must be uploaded using one of the following document formats: .doc, .docx, .xls, .xlsx, .ppt, .pptx, .pdf, .rtf, and .txt, or image file types: .jpeg, .bmp, .png, .gif, and .tiff. The file size limit is 5 MB per file.

Ensure that all text and images are clear, legible, and complete (for example – you are required to provide copies of all pages of your passport).

In addition, please ensure that all pages for a specific document are uploaded into one file (for example, all pages of a passport should appear in one document, rather than a separate document for each passport page).

4.2.17 Schedules

As part of your application, you must read and sign Schedules A, B, and C. If applicable, your accompanying spouse or common-law partner and any accompanying dependents (aged 16 and over) must also read and sign Schedules B and D.

Please see [Appendix 6](#) for plain-language guidance about the Schedules.

Schedule A: Declarations

Please ensure that you carefully read and understand the declarations. You must acknowledge your agreement before you can submit your application to the OINP. If you do not agree with any of the declarations, or you are not prepared to abide by them, you should not submit an application.

Schedule B: Authorizations and Notice of Collection

Please ensure that you and your accompanying spouse or common-law partner and any dependents aged 16 and over carefully read and understand the authorizations and Notice of Collection.

The authorizations will permit the Ministry of Citizenship and Immigration (MCI) to collect, use, retain and disclose your personal information contained in your application, including the personal information of your spouse or common-law partner and any dependents.

The Notice of Collection explains that all information collected by MCI in connection with your application will be used for the purposes of ensuring the program's proper administration, including assessing your application for nomination for permanent residence, as well as for program integrity, program evaluation, and statistical purposes.

You and all accompanying dependents over the age of 16 must agree to the authorizations and Notice of Collection before you can submit your application to

the OINP. If you do not agree with any of the statements, or you are not prepared to abide by them, you should not submit an application.

Schedule C: Relevant Federal Legislation

Please ensure that you carefully read and understand the federal legislation. You must acknowledge your agreement before you can submit your application to the OINP. If you do not agree with any of the statements, or you are not prepared to abide by them, you should not submit an application.

Schedule D: Authorizations Concerning Representatives

Your accompanying spouse or common-law partner and any dependents aged 16 or over must acknowledge their agreement with the authorization concerning representatives. By agreeing, they are authorizing you (as the applicant) to appoint or cancel a representative on their behalf.

4.2.18 Summary

The summary tab will outline whether or not your application has any errors. If not, you may proceed with your fee payment. If there are any errors, you will be directed to the tab(s) with the error(s). You must fix the errors in order to submit your application. You can press the “Check for Errors” button on each tab to locate the errors and fix them.

Note: When reviewing your application for errors, please ensure that you click on the red circle beside the section header. If you click directly on the section hyperlink, the errors will disappear.

The system will not allow you to submit your application until you have completed all mandatory fields, uploaded all required documentation, read and agreed to all declarations and authorizations, and submitted an electronic payment.

4.3 Privacy and Confidentiality

4.3.1 How your Personal Information is used

MCI collects your personal information in order to assess whether you meet program criteria and to determine that the information you have provided, including all of your supporting documentation, is true, correct and complete.

The ministry may also use this information to contact you, as well as other individuals regarding you, such as other ministries of the Government of Ontario, officials administering immigration programs, law enforcement agencies, academic institutions and financial institutions in order to verify the information you have provided or to request additional information if needed to determine whether you meet program criteria.

The ministry may use this information for the purposes of quality assurance and program evaluation.

If you, your spouse or common law partner and accompanying dependents are uncomfortable with or disagree with any part of the declarations and authorizations contained in the application, you should not submit an application to the OINP.

4.3.2 Protection of your Personal Information

The information provided in your application is subject to the [Freedom of Information and Protection of Privacy Act](#) (the "Act"). The Act provides a general right of access to information in the custody or control of institutions, which includes ministries. However, the right of access to information is limited by a set of exemptions and exclusions. In this regard, section 17 of the Act protects certain third party information (*i.e.*, information that applicants might submit to the Program) from being disclosed in response to an access to information request. More specifically, s. 17 of the Act states:

17. (1) A head shall refuse to disclose a record that reveals a trade secret or scientific, technical, commercial, financial or labour relations information, supplied in confidence implicitly or explicitly, where the disclosure could reasonably be expected to,

- (a) prejudice significantly the competitive position or interfere significantly with the contractual or other negotiations of a person, group of persons, or organization;*
- (b) result in similar information no longer being supplied to the institution where it is in the public interest that similar information continue to be so supplied;*
- (c) result in undue loss or gain to any person, group, committee or financial institution or agency; or*
- (d) reveal information supplied to or the report of a conciliation officer, mediator, labour relations officer or other person appointed to resolve a labour relations dispute.*

If an applicant's information meets the three-part test included in s. 17 – that is, the information is the type of information that the Act protects, the information was "supplied in confidence", and the disclosure of the information could reasonably be

expected to result in one of the enumerated harms – then the OINP is prohibited from disclosing this information in response to an access to information request. The OINP cannot advise you on whether any particular information satisfies this test.

In the event the OINP receives a request for an applicant's information, the OINP is obligated under s. 28(1)(a) of the Act to provide the applicant with notice of the request, along with an opportunity to make representations as to why its information should be exempt from disclosure.

4.4 Processing Fee

Before you can submit your online application, you must pay the application fee of **\$1,500**.

You can make an electronic payment by credit card only (VISA or MasterCard). Please note that the OINP will **not** accept:

- Money Order
- Cashier/Certified Cheque
- Postal Money Order
- Bank Draft
- Cash
- Personal Cheques

Once you make the payment, your application will be submitted to the OINP and you will not be able to make any changes. You will receive an email acknowledging receipt of your application, as well as a payment receipt.

Fees are **non-refundable** unless your application is deemed to be incomplete or you withdraw your application before the OINP has started processing it. The Province of Ontario charges fees to recover the cost of administering the OINP. Since the application fee helps pay for the cost of processing applications, fees will not be refunded if the application is unsuccessful, if the applicant withdraws the application after the OINP has started to process it, or if the province cancels or withdraws the nomination.

Please note that the application fee only covers processing by the OINP. Costs incurred for services such as translation, certification, notarization, travel, accommodation and incidentals (for exploratory visits, interviews or otherwise) are to be paid by the applicant. Once the OINP nominates an individual, that nominee must apply directly to IRCC for permanent resident status. Regular IRCC application fees will apply.

5.0 AFTER YOU APPLY

5.1 Application Assessment

You (or your representative, if applicable) will receive an acknowledgement email to indicate that your application and payment have been received.

Once the OINP has received your online application, your application will be assessed. All information that you provide will be verified to ensure accuracy, legitimacy and completeness.

Processing times are to be determined. Please regularly check the program website for updates.

Once the OINP completes the assessment of your application, you (or your representative, if applicable) will be notified in writing of whether your application was approved or refused.

5.2 Checking Your Status

After you have submitted your application, you can log into the OINP e-Filing Portal through your *ONE-key* account to check the status of your application. Look for the column labeled "Status" on your main page. As your application makes its way through the various processing stages, your application status will be updated.

Please ensure that you check your status online before sending an inquiry to the OINP.

5.3 Incomplete Applications

Your application will not be deemed complete until it is reviewed for completeness by the OINP. If your application is found to be incomplete, it will not be processed and your application fee will be refunded.

An application may be deemed incomplete if:

- Incorrect supporting documents are provided; or
- Documents requiring translation are not certified or notarized.

Note: Your application fees will be refunded if your application is deemed incomplete.

5.4 Changes in Personal Information

The OINP must be notified if there are any changes to the information provided in your application, including (but not limited to):

- Change in contact information
- Change in immigration status (expiration or change in work permit)
- Change in family composition due to:
 - Marriage or common-law relationship
 - Birth of a child
 - Change of custody of a child
 - Divorce/separation
 - Death

Changes to your primary telephone number, email address and country of residence can be made online by logging into the OINP e-Filing Portal and clicking on "My Profile" on your main page. After the change has been made, click "Save".

For all other changes, you must complete the [Change of Personal Information](#) form.

This form must also be used to request a correction of a data entry error (i.e. spelling mistake) in your name or your date of birth made while registering. **Note:** The program will not accept requests for complete name or date of birth changes.

Once the form is completed, you must send it by email as an attachment to ontarionominee@ontario.ca indicating in the subject line "Application Change Notice – [File number]". If you are requesting a correction to your name or date of birth, please also include the personal details page of your passport to validate your request.

Failure to notify the OINP of any changes to personal information will impact the outcome of OINP and IRCC applications.

You must not send in additional documents and/or information to the OINP unless you need to notify the program of a change, or unless you have received a required for additional information. In both cases, you must contact the OINP by email.

Note: Paper documents are no longer accepted by mail, fax or in person.

5.5 Withdrawing your Application

If you wish to withdraw your application, you may do so in one of two ways:

1. Send an email to ontarionominee@ontario.ca asking the OINP to withdraw your application; or

1. Click on the “Withdraw” button next to your application on your main page of the OINP e-Filing Portal.

Note: Your processing fee will not be refunded if the OINP has already started processing your application.

5.6 Reconsideration

If your application is refused, you may seek a review or reconsideration of the refusal decision of your application should you feel an error was made by the program. You must send a request for reconsideration by email to reconsiderations@ontario.ca within 30 calendar days of the date on your refusal letter. In your email, you must clearly identify what error(s) you believe was/were made in the assessment of your application. The error(s) you identify must be related to the stated reason(s) for the refusal of your application.

Reconsideration requests are reviewed by an official who was not involved in the original decision and who is independent of the original decision-maker. The reconsideration decision is final.

Please note that a reconsideration request will consider eligibility at the time of the original application. A decision will not be reconsidered on the basis of a change in circumstances after the application was submitted and will not take into consideration new information or documentation that was not submitted to the program during the initial application assessment. In these instances, applicants should submit a new application to the program.

Note: Written requests for reconsideration are no longer accepted by mail, fax or in person. All requests for reconsideration **must** be sent by email.

6.0 AFTER NOMINATION

If your application is successful, the OINP will enter the details of your nomination into IRCC’s Express Entry system and you will receive a notification of your nomination through your IRCC online account. This notification will explain the next steps for accepting or refusing the nomination.

1. After OINP adds your nomination information to your Express Entry profile, you will have 30 calendar days to accept the nomination in the Express Entry system. With the additional 600 points awarded for a nomination, you will receive an Invitation to Apply for permanent residency from IRCC through your IRCC online account.

2. Once you receive an Invitation to Apply from IRCC, you will have 90 calendar days to submit your application for permanent residence to IRCC.

Note: Nomination by OINP does not guarantee the approval of your application for permanent residence by IRCC. Applications for permanent resident status must meet all of the eligibility criteria as defined by IRCC, and it is the nominee's responsibility to ensure that the information provided at profile creation for the Express Entry pool and in the nominee application submitted to OINP is consistent at the time of application for permanent residence submission to IRCC.

Where there is a conflict between OINP and IRCC eligibility criteria, OINP criteria will prevail in the assessment of your nominee application.

A maximum of 10 points may be awarded if you have a full-time job offer from a Canadian employer that is at least one year in length. The valid job offer must be:

APPENDIX 2: FINDING YOUR NOC CODE

To find the NOC code for your past work experience or for a position offered to you, visit the website of the National Occupational Classification (NOC) 2016, the authoritative resource on occupational information in Canada. (Instructions below)

If you worked as a dietician abroad and/or have been offered a position as a dietician in the Toronto Region, for example, follow the steps below to find the NOC code:

Step 1: Visit the [NOC website](#) and click on 2016 version.

The screenshot shows the homepage of the National Occupational Classification (NOC) 2016 website. At the top, there is a header with the Government of Canada logo and navigation links for Jobs, Immigration, Travel, Business, Benefits, Health, Taxes, and More services. A search bar is located in the top right corner. Below the header, a breadcrumb trail reads: Home → National Occupational Classification → Welcome to NOC 2016. The main content area features a 'Quick Search' box with a search input field and a search button. Below this, the heading 'Welcome to the National Occupational Classification 2016' is displayed, followed by a note that the NOC 2011 and NOC 2006 websites are also available. The main text describes the NOC 2016 as the authoritative resource on occupational information in Canada, providing a standard taxonomy and framework for dialogue on Labour Market Information. It mentions that the NOC 2016 revision brought changes to 314 NOC occupational Unit Groups, added 204 new occupational titles, and modified another 21 titles in English. Below this, there is a link to 'Introduction and Overview of changes' and a list of links: Background, Modified Unit Group titles, Modified Unit Group descriptions, and Movement of job titles among Unit Groups. At the bottom, there is a section for 'NOC research and development' with links to 'Research methodology for NOC revisions' and 'Approval process'. On the left side, there is a sidebar menu with links to 'Search the NOC...', 'Welcome to NOC', 'About the NOC', 'New @ NOC', 'Occupational Structure', 'Matrix', 'Tutorial', 'Career Handbook', 'FAQ', 'Contact Us', 'Related Sites', 'NOC Code List', and 'Job Bank'.

Step 2: Enter the title of your position in the Quick Search field. Select the most relevant result.

The screenshot shows the Government of Canada website's National Occupational Classification 2016 Quick Search page. The header includes the Canadian flag and the text 'Government of Canada' and 'Gouvernement du Canada'. A search bar at the top right contains 'Search Canada.ca'. Below the header is a navigation menu with links for Jobs, Immigration, Travel, Business, Benefits, Health, Taxes, and More services. The main content area is titled 'Quick Search' and contains a search input field with the placeholder text 'Enter a 4-digit NOC code or your job title (required)'. Below the search field, the results are displayed under the heading 'Quick Search - Results'. The keyword used is 'dietician'. The results show 'Total Unit Group Titles : 1' and 'Total Job Titles : 1', with a single result: '3132 Dietitians and nutritionists' (with 'dietician' listed below it). A date modified of '2016-12-02' is also visible. A sidebar on the left contains various links related to the NOC 2016, such as 'Search the NOC...', 'Welcome to NOC', 'About the NOC', 'New @ NOC', 'Occupational Structure', 'Matrix', 'Tutorial', 'Career Handbook', 'FAQ', 'Contact Us', 'Related Sites', 'NOC Code List', and 'Job Bank'.

Step 3: Review the lead statements, main duties, and employment requirements of the position to ensure that they match the duties and qualifications for the position offered to you, not just the title of the position. Choose the NOC code that most accurately reflects your position.
