1.0 INTRODUCTION - EMPLOYER JOB OFFER: INTERNATIONAL STUDENT STREAM

The Ontario Immigrant Nominee Program (OINP) allows Ontario to nominate, for permanent residence, individuals who have the skills and experience to contribute to Ontario’s economy, and assists employers in recruiting and retaining foreign workers.

This application guide provides information about the Employer Job Offer: International Student Stream. The guide will help you decide if you meet program requirements and what you need to do if you decide to apply.

1.1 About the Employer Job Offer: International Student Stream

The Employer Job Offer: International Student Stream is open to international students who have a job offer for a permanent and full-time position from an employer in Ontario.

Your job offer must be for a position that is a Skill Type 0 or Skill Level A or B under the National Occupational Classification (NOC).

To qualify, you must meet minimum program requirements including:

- a degree, diploma or certificate from an eligible Canadian institution that is completed within two years of submitting your application;
- relevant mandatory licencing in Ontario if the position is a regulated occupation; and
- legal status in Canada (i.e., study permit, work permit, visitor record) if currently residing in Canada.

More information about program criteria can be found in section 2.0.

1.2 Employer Criteria and Job Offer Requirements

Your employer must also meet program requirements. Your employer must:

- have a business in Ontario that has been in operation for at least three (3) years;
• meet minimum revenue thresholds; and  
• employ a minimum number of full-time employees who are permanent residents or Canadian citizens.

The job offer provided by your employer must:

• be for a full-time position of indeterminate length in a National Occupational Classification (NOC) 0, A or B occupation; and  
• meet or exceed the low wage level for the occupation in the region of Ontario where you will be working.  
  • If you are already working in the position of the job offer, the wage offered must meet the low wage level and be equal to or greater than your current wage.

Your employer is required to complete the Employer Form and, if requested, submit required documentation to verify that program criteria has been met. You will be required to submit the signed Employer Form and a copy of your job offer signed by you and your employer with your application.

You and your employer can learn more about employer and job offer requirements in the Employer Job Offer Streams: Employer’s Guide.

If your application is successful and you receive a nomination from Ontario, you may proceed to apply to Immigration, Refugees and Citizenship Canada (IRCC) for permanent residence. For more information, please visit the IRCC website.

1.3 How to Apply: The OINP e-Filing Portal

You must submit an application to the Employer Job Offer: International Student Stream online through the OINP e-Filing Portal. You can access the e-Filing portal directly from the OINP website. Here, you will find further instructions on how to register for a One-key account, how to create a profile in the e-Filing Portal and how to complete your application to the Employer Job Offer: International Student Stream.

Important:

• You may only have one active registration for the Employer Job Offer: International Student Stream.  
• Once you complete your registration, you have 14 calendar days to complete and submit your application to the OINP. After 14 days, your registration will expire and will be withdrawn by the OINP.

The application will take approximately three hours to complete. It does not have to be completed in one session. You can save your work as you go and return to complete it at another time.
Once you have completed your application and have submitted your payment, you will receive an acknowledgement email to indicate that your application and payment have been received.

You can then log into the OINP e-Filing Portal through your ONe-key account to check the status of your application. Look for the column labeled “Status” on your main page. As your application makes its way through the various processing stages, your application status will be updated.

Please ensure that you check your status online before sending an inquiry to the OINP.

1.4 Application Fee

The application fee for the Employer Job Offer: International Student Stream is $1,500 (CAD).

You can make an electronic payment by credit card only (VISA or MasterCard). Please note that the OINP will not accept:

- Money Order
- Cashier/Certified Cheque
- Postal Money Order
- Bank Draft
- Cash
- Personal Cheques

Once you make the payment, your application will be submitted to the OINP and you will not be able to make any changes. You will receive an email acknowledging receipt of your application, as well as a payment receipt.

Fees are non-refundable unless your application is deemed to be incomplete or you withdraw your application before the OINP has started processing it. The Province of Ontario charges fees to recover the cost of administering the OINP. Since the application fee helps pay for the cost of processing applications, fees will not be refunded if the application is unsuccessful, if the applicant withdraws the application after the OINP has started to process it, or if the province cancels or withdraws the nomination.

Please note that the application fee only covers processing by the OINP. Costs incurred for services such as translation, certification, notarization, travel, accommodation and incidentals (for exploratory visits, interviews or otherwise) are to be paid by the applicant.
Once the OINP nominates an individual, that nominee must apply directly to Immigration, Refugees and Citizenship Canada (IRCC) for permanent resident status. Regular IRCC application fees will apply.

1.5 Before Submitting Your Application

Before you submit your application to the OINP, make sure that you and your employer meet all program criteria. Your application may be refused if you or your employer do not meet program criteria.

Please ensure that your application is complete. Make sure that all application fields are completed and mandatory documents are uploaded. If your application is found to be incomplete, it will not be processed and your payment will be refunded.

Avoid Unnecessary Delays in the Processing of Your Application – Helpful Hints

Carefully check ALL your documents and black out, or ‘redact’ credit card numbers and any Canadian social insurance numbers. Use a heavy black marker to cross out the credit card and social insurance number so they are not visible in your documents.

Submit clear copies of ALL the pages of your passport including the front and back cover.

Provide YOUR current residential address, email address and phone number in your online application.

Submit ALL mandatory documents with your application, including an updated résumé. Be sure to include your current residential address, email address and phone number on your résumé.

Submit copies of official transcripts issued from the academic institution in Canada that granted, or will grant, your degree, diploma or certificate.

2.0 APPLICANT ELIGIBILITY CRITERIA

To apply as an international student, you must ensure that you meet the eligibility requirements for the Employer Job Offer: International Student Stream.

It is also your responsibility to ensure that your employer and job offer meet program criteria. Your application may be refused if program criteria are not met.
2.1 Education

All applicants must have completed the requirements necessary to obtain:

- a degree or diploma from an eligible Canadian institution that takes at least two years to complete if pursued on a full-time basis; OR
- a degree, diploma or certificate from an eligible Canadian institution that takes at least one year to complete if pursued on a full-time basis and that requires the completion of a degree as a prerequisite. This means that the completion of a degree must be listed as an admission requirement on the Canadian institution’s website.

In addition, applicants must have completed more than half of their studies while lawfully living and studying in Canada.

**Note:** Full-time study requires at least 15 hours of instruction per week during the academic year, including any period of training in the workplace that is part of your studies. Studies completed on a part-time basis may also qualify, if they are equivalent to at least one full-time academic year.

Visit the stream webpage for a list of [eligible Canadian institutions](#).

2.2 Licence or Other Authorization for Job Offer (if applicable)

If your job offer is in an occupation that requires a mandatory licence or other authorization in Ontario, you must hold the mandatory licence or authorization in Ontario at the time of application submission. You will need to submit your licence or authorization with your application.

**Note:** A Trade Equivalency Assessment (TEA) approval letter or a provisional certificate will not be accepted. You must hold a Certificate of Qualification or be registered as an apprentice in an apprenticeship program at the time of application submission.

For more information on licences and authorizations in Ontario, please visit the [OINP website](#) or the [Ontario College of Trades’ website](#).
2.3 Intention to Reside in Ontario

All applicants must intend to reside in Ontario. You will be asked to indicate your ties to Ontario that can include, but are not limited to, the following:

- Current and/or previous employment in Ontario
- Job offers or jobs applied/interviewed for in Ontario
- Education in Ontario
- Volunteer work in Ontario
- Lease agreements for a residence in Ontario or property ownership
- Professional networks and affiliations
- Family ties
- Social connections or personal relationships
- Previous visits to Ontario

2.4 Legal Status in Canada (if applicable)

If you are residing in Canada, you must have legal status in Canada at the time of application submission and you should maintain your legal status until the time of nomination. Legal status means that you are authorized to enter and remain in Canada as a temporary resident for a specific period of time, either as a visitor, worker or student.

You may apply to the OINP if you are in ‘implied status’ on the date of your OINP application submission. ‘Implied status’ means that you submitted an application to IRCC to renew/extend your temporary status document (i.e. visitor record, work permit, study permit) before its expiry date. You can remain in Canada and continue to work or study under the same conditions as your existing permit until a decision is made on your pending IRCC application.

**IMPORTANT: NOTE ON REFUGEE CLAIMANTS**

Refugee claimants with a pending application to remain in Canada are not eligible to apply to the OINP. Refugee claimants will need to resolve their refugee claim before applying to the OINP.

For more information related to refugee claimants, please visit [IRCC’s website](https://www.immigration.gc.ca).

2.5 Application Period

You must submit your application to the OINP **within two years** of completing the requirements necessary to obtain your degree, diploma or certificate.
This means that the **date** on your degree, diploma or certificate must be within two years of your OINP application submission date. For example, if your degree is dated June 1, 2017, you must apply before June 1, 2019.

If your degree, diploma or certificate has not yet been granted, the program will accept an official letter from your academic institution indicating when your degree, diploma or certificate will be granted.  

**Note:** OINP will not accept applications from international students in their final semester of study. Applicants must have met all degree, diploma or certificate requirements at the time of application submission.

### 3.0 DOCUMENT CHECKLIST

You are required to submit documents to verify your identity and to demonstrate that you and the job offer from your employer meet program criteria.

Please reference the checklist below for the documents that you may be required to submit to support your application. You **must** submit all **mandatory** documents with your application. You may be asked to submit **additional** documents during the processing of your application.

**Note:** Carefully check **ALL** your documents and black out, or ‘redact’ credit card numbers and any Canadian social insurance numbers. Use a heavy black marker to cross out the credit card and social insurance number so they are not visible in your documents.

**Your application will be returned as incomplete if you do not provide all mandatory documents.**

If you are applying from outside Ontario, the translation can be completed by any translator. However, the translation must be notarized. Translations that are completed by the applicant, the applicant’s representative, or other individuals with personal ties to the applicant are not acceptable even if these individuals are certified translators.

**4.0 APPOINTING AN AUTHORIZED REPRESENTATIVE**

**4.1 Who is an Authorized Representative?**

An authorized representative is an individual who represents, assists, or advises you in connection with your application, and who receives any type of compensation for doing so.

To act as a representative under the *Ontario Immigration Act, 2015*, an individual must have the authority to do so under section 14, which means that the individual must belong to one of the following categories:

- a person who is authorized under the *Law Society Act* to do so;
- a member in good standing of the Immigration Consultants of Canada Regulatory Council; or
- any other individual prescribed by the Minister (none at present).

Persons authorized under the *Law Society Act* include the following:

- a lawyer who is a member in good standing of the Law Society of Ontario;
- a lawyer who is a member in good standing of another Canadian provincial or territorial law society and who is practicing law in Ontario in accordance with the requirements of Part VII of By-law 4 made under the *Law Society Act*.

*By-Law 4* provides for the “occasional practice of law” in Ontario. This by-law sets out the provisions for temporary mobility with or without a permit pursuant to which members of other Canadian provincial or territorial law societies may carry on the occasional practice of law in Ontario.

*Note:* Quebec and territorial lawyers currently require prior permission from the Law Society of Ontario before engaging in the occasional practice of law. This includes acting as a representative under the Act.
For more information regarding mobility and inter-jurisdictional practice, please visit the Law Society of Ontario’s website. Should you have further questions about whether a lawyer of another Canadian provincial or territorial law society is authorized to practice law in Ontario, please contact the Law Society of Ontario.

The OINP will only conduct business with authorized representatives. If you appoint a representative who is not recognized by the program as an authorized representative, you will be contacted by the OINP and advised that the individual must be cancelled as your representative.

Once you appoint an authorized representative to act on your behalf during the OINP application process, all OINP communications will be directed to your representative.

For information on how to choose an authorized representative and for tips about how to protect yourself from fraud, please visit IRCC’s website.

4.2 Disclosing Your Use of an Authorized Representative

You must disclose the use of an authorized representative to the OINP.

If you receive assistance from an authorized representative, but choose not to appoint him/her as your representative to conduct business on your behalf with the OINP, you must still disclose this to the OINP.

**IMPORTANT:** If you have not disclosed that you have appointed, or received assistance from, an authorized representative, the program may return your application as incomplete.

4.3 Receiving and Disclosing Assistance from Other Individuals

If you receive advice or assistance with your application from an individual who is not an authorized representative, you must disclose this information in your online application.

You cannot appoint an unauthorized representative to conduct business on your behalf with the OINP.

4.4 How to Appoint an Authorized Representative Online

Only authorized representatives can be appointed to represent you and conduct business on your behalf with the OINP. You may only have one active authorized representative at a time.
4.4.1 If you are NOT registered in the OINP e-Filing Portal

If you have not registered a profile in the OINP e-Filing Portal, your representative is required to follow the process below:

1. Your authorized representative accesses the OINP e-Filing Portal directly from the OINP website. Here, the representative will find further instructions on how to register as a representative and submit an application to the International Student Stream on your behalf.
2. Your representative follows the instructions provided to register as an authorized representative and to register a profile for you as the applicant.
3. After your authorized representative has registered a profile for you, you will receive two emails from the OINP. The first email will include your enrollment number and the second will include your PIN number.
4. You may then sign up for a ONE-key account using these two numbers.
5. Once logged into the OINP e-Filing Portal, you can appoint your authorized representative.
6. Once appointed, your authorized representative may then proceed to complete your online application.

**IMPORTANT:** Representatives are prohibited from using an email address belonging to, or created by themselves, for the purpose of self-appointing. You must complete the appointment process through your own ONE-key account. That is, the account associated with your personal email account.

4.4.2 If you are already registered in the OINP e-Filing Portal

If you choose to appoint an authorized representative AFTER you have registered a profile in the OINP e-Filing Portal, please follow the process below:

1. Provide your authorized representative with the application number found under “File Number” on the main page of your OINP e-Filing Portal.
2. Your representative must then log in to their ONE-key account and select “Add an Existing Application” on their main page.
3. Your representative will need to enter your “File Number” and your email address in the boxes provided.
4. Once your file number appears, your representative can click on “Add this Application”.
5. Once your representative successfully adds your application, you will receive an email notification from the OINP asking you to log in to your ONE-key account to appoint this representative. You can do so by clicking on “Appoint” found on the section entitled “My Representative”.
6. Once appointed, your representative will be able to log in to their ONE-key account and view and/or continue your application. Note: any fields that you have already filled out in your application will appear as read-only for your representative.
Remember:
- An authorized representative must use their representative account to submit an application on your behalf. Authorized representatives are prohibited from submitting an application through your ONe-key account.

4.5 Cancelling an Authorized Representative

You may cancel your authorized representative at any time. To do so, log in to your OINP e-Filing account via ONe-key and select “Cancel” under the “My Representative” section.

Once you have cancelled your authorized representative, that representative will not be able to access information about your application and they will not be authorized to conduct business with the OINP on your behalf. You will become the primary contact for the OINP.

4.6 Your Responsibilities when Appointing an Authorized Representative

If you choose to appoint an authorized representative, you are responsible for ensuring that the information provided to the OINP is accurate, complete and not misleading.

You must provide your personal email address in the application. You cannot use the representative’s email address, or an email account created by the representative, as your personal contact information in your application.

If you do not provide an email address that belongs to you, your application will be returned as incomplete and your processing fee will be refunded.

5.0 AFTER YOU APPLY

5.1 Incomplete Applications

Your application will not be deemed complete until it is reviewed for completeness by the OINP. If your application is found to be incomplete, it will not be processed and your application fee will be refunded.

An application may be deemed incomplete if:

- Incorrect supporting documents are provided; or
- Documents requiring translation are not certified or notarized.
Note: Your application fees will be refunded if your application is deemed incomplete.

5.2 Changes in Personal Information

The OINP must be notified if there are any changes to the information provided in your application, including (but not limited to):

- Change in contact information
- Change in immigration status (expiration or change in temporary work permit)
- Change in family composition due to:
  - Marriage or common-law relationship
  - Birth of a child
  - Change of custody of a child
  - Divorce/separation
  - Death

Changes to your primary telephone number, email address and country of residence can be made online by logging into the OINP e-Filing Portal and clicking on “My Profile” on your main page. After the change has been made, click “Save”.

For all other changes, you must complete the Change of Personal Information form.

This form must also be used to request a correction of a data entry error (i.e. spelling mistake) in your name or your date of birth made while registering. Note: The program will not accept requests for complete name or date of birth changes.

Once the form is completed, you must send it by email as an attachment to ontarionominee@ontario.ca indicating in the subject line “Application Change Notice – [File number]”. If you are requesting a correction to your name or date of birth, please also include the personal details page of your passport to validate your request.

Failure to notify the OINP of any changes to personal information will impact the outcome of OINP and IRCC applications.

You must not send in additional documents and/or information to the OINP unless you need to notify the program of a change, or unless you have received a request for additional information. In both cases, you must contact the OINP by email.

Note: Paper documents are no longer accepted by mail, fax or in person.
5.3 Restoration of Status in Canada

If you lose legal status in Canada after you have applied to the OINP (i.e. your status document expired and you did not apply to extend your status before it expired), you must apply to IRCC to restore your status within 90 days of having lost your status. You must notify the OINP of your loss of status in Canada and provide proof that you applied to IRCC within the 90 day deadline to restore your status.

Please note that you are permitted to remain in Canada while your restoration application is being processed, however, you are prohibited from working or studying during this time.

5.4 Withdrawing your Application

If you wish to withdraw your application, you may do so in one of two ways:

1. Click on the “Withdraw” button next to your application on your main page of the OINP e-Filing Portal; or
2. Send an email to ontarionominee@ontario.ca asking the OINP to withdraw your application.

Note: Your processing fee will not be refunded if the OINP has already started processing your application. That is, your application status indicates ‘assessment’.

5.5 Internal Review

After the OINP has made a decision on your application, you may seek an internal review of the decision should you believe an error was made by the program in making its decision.

You must send a written request for internal review by email to internalreview-revisioninterne@ontario.ca as follows: within 30 calendar days after receiving notice of the original decision if you are a resident in Canada, or within 60 calendar days after receiving notice of the original decision if you are not a resident in Canada.

In your request for internal review, you must clearly identify any error in the program’s decision that, if not made, would have resulted in a different decision. The request must not include any evidence that was not submitted to the program before the decision was made, unless the evidence was not reasonably available at that time.

Internal review requests are reviewed by an individual who was not involved in the original decision and who is independent of the original decision-maker. The internal review decision is final.
**Note:** Written requests for internal review are not accepted by mail, fax, or in person. All requests for internal review must be sent by email.

### 6.0 AFTER NOMINATION

If your application is successful, you will receive a Letter of Nomination and a work permit support letter, along with the OINP Confirmation of Nomination document.

Successful nominees must submit an application for permanent residence to IRCC within six (6) months of being nominated by the OINP. You must include a copy of your Letter of Nomination and a copy of the OINP Confirmation of Nomination document.

**Note:** Nomination by OINP does not guarantee the approval of your application for permanent residence by IRCC.

### 6.1 Work Permit Support Letter

You may use your work permit support letter from the OINP to apply for a work permit from IRCC while your application for permanent residence is being processed.

Your work permit support letter document is valid for six (6) months. If you require an extension to your work permit and your work permit is due to expire within three (3) months, then you may submit a request for a work permit support letter extension.

To request an extension, please email the OINP at ontarionominee@ontario.ca and provide the following information:

1. Copies of your two (2) most recent pay slips.
2. Scanned copy of your work permit.

The OINP will review your request and determine whether you continue to meet the conditions of your nomination.

### 6.2 Conditions of Nomination

Your nomination is subject to the following conditions until you receive permanent resident status:

1. You must continue to demonstrate on a reasonable basis an intention to reside in Ontario; and
2. You must continue to be employed in the approved employment position. This means that your duties, wages, hours of work, etc. must remain consistent with those set out in the approved application. Section 6.2.1 below outlines your obligations if there are changes to the conditions of your job offer, or your employer offers you a promotion, or you are terminated.

6.2.1 Changes to the Conditions of Your Job Offer

You must notify the OINP immediately if there are changes to the conditions of your job offer, for example, the position title, duties, employment location, wages, and/or hours of work.

You will also need to notify the OINP if your employer offers you a promotion. You will need to submit a revised job offer signed by you and your employer, your current work permit and your two most recent pay slips.
